Presents...

1-2-3 MAGIC AND EMOTION COACHING

FOR THE CLASSROOM K-6

Our training and ongoing support provides teachers and education assistants with the knowledge and practical skills to respond more calmly and effectively to student's difficult behaviour and emotional upsets as they happen in the classroom and playground. Over time, teacher responses will improve student self-regulation and self-control.

Outcomes...

- Creates consistency and a common language across the school
- Leaves more time for teaching
- Reduces staff stress
- Provides students with predictable responses
- Complimentary to PBS, CMS, Zones of Reg etc.

- Knowledge and procedures to introduce and implement 1-2-3 Magic® & Emotion Coaching across the whole school.
- Participants receive a training manual containing course notes and lesson plans.
- Resources to assist with introducing & implementing the program in the school.
- Participants will receive a 'Certificate of Completion'.
- E-mail and phone support is available for 6 months after the initial training.
- Schools who train 40 or more staff qualify for a full day of follow up consultancy at *no cost. (valued at \$1260). *travel costs may be incurred outside of Perth metro area.
- Recorded parent information session.

WHAT SCHOOLS ARE SAYING ABOUT THE PROGRAM

"A fantastic PD, useful practical information to implement in the school. Emotion coaching is so vital and has had a positive effect on our students and our relationships."

YEAR 3 TEACHER

"Teachers report feeling less tired and stressed by student's difficult behaviour. They now have some practical strategies that work thus leaving more time for teaching."

PRINCIPAL

FOLLOW UP SUPPORT & CONSULTANCY

Train 40 or more staff from your school and receive a full day of on-site coaching which is inclusive in the training costs (valued at \$1160).

This is aimed at supporting staff, students and parents with the introduction and implementation of the program. Where staff numbers are less than 40, consultancy can be provided by negotiation.

It typically includes:

- An information session for parents.
- Assistance with the formulation of protocols and policy around the program.
- Observing teachers in the classroom, before providing them with feedback and coaching.
- Assistance in formulation and/or tailoring of individual behaviour management plans around the program.
- Facilitating Q & A sessions to school staff with a focus on trouble shooting any problem areas.

WEBINAR TRAINING PACKAGE

- 3 x 90-120 minute sessions scheduled to preferred dates and times.
- Live and interactive. Plenty of time for questions and problem solving.
- Our experienced facilitators will liaise with the school prior to training to ensure the training is relevant and practical to your needs.
- Q&A sessions available.
- Training manual included.
- Certificate of completion provided.
- Participants provided with a dedicated link to log in from any location.
- Recordings can be made available on application.
- PLUS – a parent information session.
