

Dial In Audio Services

Whether it's dialing in to get information or enjoying an audio tour at a cultural venue, people of all ages appreciate the ease and convenience of accessing audio content on their personal device.

Want to try it out?

Dial (408) 794-7877, then press any number from 1-20 followed by the (#) key

INFORMATION HOTLINES

Why use valuable staff time to answer questions that can simply be pre recorded on an information hotline? Our web-based platform makes it easy for your organization to record an unlimited number of audio prompts.

- Provide helpful information on hours, locations, special events, ticketing, and safety guidelines
- Create a hotline for employees to call in and receive the latest updates
- Change recordings on the fly in real time, anytime

AUDIO TOURS

Turn your visitor's phone into a virtual docent. Audio tours give people the freedom to explore your venue in their own way and in their own time.

- Ask artists to talk about their work
- Record first-person accounts of historical events
- Offer audio tours in multiple languages

GATHER FEEDBACK ON AUDIO

Allow visitors to dial in and leave voice feedback. Repurpose interesting comments and stories into your audio tour.
