

Make Resources Easily Accessible on Mobile

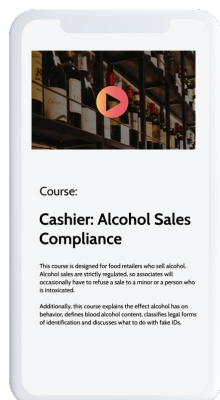

Whether it's HR information, training modules, conference schedules, event details, and more.

Provide access to content at their fingertips, anywhere, anytime.

Engage by Cell's Resource Portal is made for mobile. It gives your audience the information they need without making them search for it.

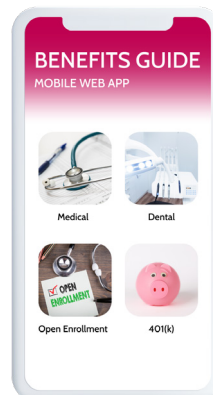

Our mobile web authoring platform makes it easy to organize, curate, and share all kinds of content:

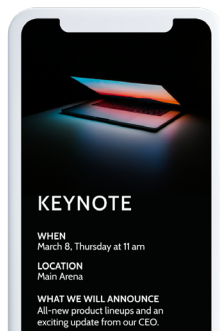

Training

- Videos
- PDFs
- Quizzes
- Leaderboards
- Manuals
- Slide decks

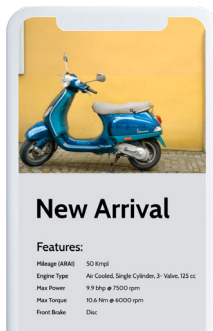

Human resources

- Benefits brochures
- Comparison charts
- Provider contact information
- Checklists
- Forms
- Team introductions
- Employee handbook

Events

- Schedules
- Keynote Information
- Accommodations
- FAQs
- Maps

More

- Membership Info
- Sales and marketing collateral
- Product details

And here's the best part...

- No downloads required
- No IT department needed
- Changes are made instantly

Put your resources in their hands today!
