

Bring Your Venue Alive with Mobile Tours and Wayfinding

Engage by Cell's mobile technology allows your guests to explore your venue anytime and anywhere at their own pace.

AUDIO TOUR

Turn your visitor's phone into a virtual tour guide. Visitors can dial in and listen to all the fascinating information and stories you want to share.

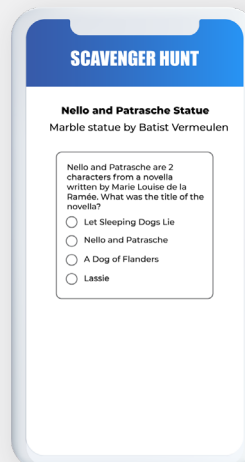

Our web-based platform makes it easy for any organization to record an unlimited number of audio prompts.

- Ask artists to talk about their work
- Record first-person accounts
- Offer audio tours in multiple languages

Audiofeedback: Visitors can leave comments.

Want to try it out?

Dial (408) 794-7877, then press any number from 1-20 followed by the (#)

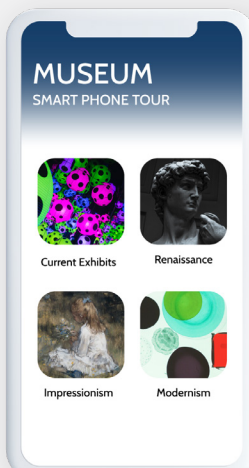

SCAVENGER HUNT

More than a tour, Engage by Cell's scavenger hunts appeal to all ages and bring a fun challenge to learning. Lead your visitors through your venue as they become amateur sleuths, picking up clues one-by-one.

Scavenger hunts are available in two, mobile-friendly experiences:

- **Text Message Scavenger Hunt:** Users text in specific words to a mobile number and receive texts back with clues.
- **Smartphone Tour Scavenger Hunt:** Built on our mobile web authoring platform, visitors travel from clue to clue as they search your exhibits.

SMARTPHONE TOURS

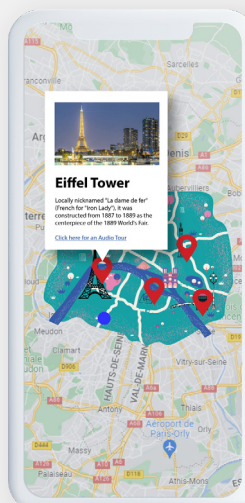

Creating an engaging experience has never been easier with our mobile web authoring platform.

- Videos, photos, GIFs, text and audio.
- GPS navigation
- Scavenger hunts

Instant access: Visitors can send a text message or scan a QR code to receive a link, no downloads required.

GPS MAPPER

With Engage by Cell's GPS Mapper, we place your map on top of a Google map using GPS data, so your visitors always know where they are and what exhibits are around them.

- Visitors text a keyword to receive a link to the map.
- Your visitor's location appears on your map.
- Interactive of interest.
