

# Live In Your Customer's Phone with Digital Cards and Passes

Today's customers and event goers want EVERYTHING on their phone: loyalty cards, membership cards, tickets, and event passes.

Engage by Cell's mobile digital cards keep your brand in your customers' hands 24/7 through their digital wallet.

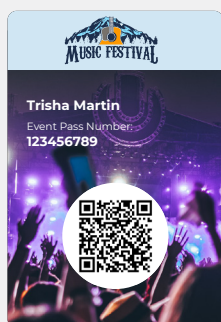

## Membership Cards That Never Get Lost

Issued via text message or email link, a digital membership card is downloaded in just a few clicks. Our digital cards are fully customizable to your branding and style.

### Perfect for:

- Museums
- Retail Stores
- Nature Centers
- Universities and schools
- Botanical Gardens
- Restaurant punch cards

## Easy and Secure: Digital Tickets and Event Passes

Your attendees will never leave their ticket at home with a digital event pass. Quickly scanned with no hand-to-hand contact, digital tickets will help you manage traffic flow.

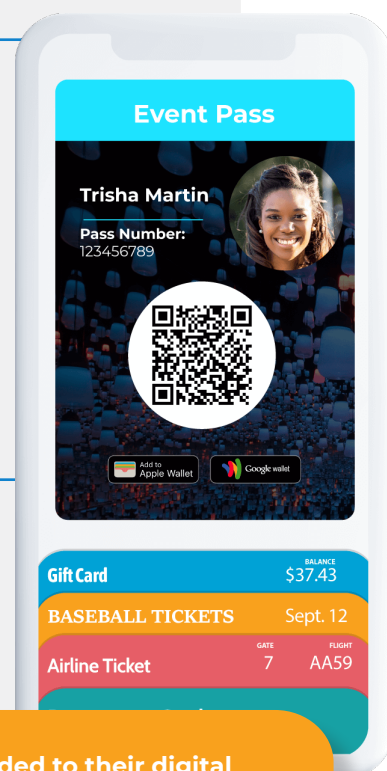

### Used at:

- Concerts
- Festivals
- Conferences
- Sporting Events

## Stay Safe: Digital Health Passes

Protect the health and safety of employees and guests by verifying health credentials before they enter your venue. Digital health passes eliminate the need to check and recheck paper immunization cards or testing results.

Once added to their digital wallet, people can enter quickly and freely into your site.

Eliminate printing costs → help the environment → make your customer experience better → go digital.
