

Call to Donate

Users call in using a local phone number to donate on the spot.

- No eligibility requirements or donation limits
- Can be implemented with short lead times

How Does it Work?

1

Call-to-Action

Donor sees campaign phone number at event or in advertisement.

2

Dial Phone Number

Donor dials number to start the donation.

3

Enter Credit Card Info

Donor enters credit card information and donation amount via touch tone.

4

Funds Deposited

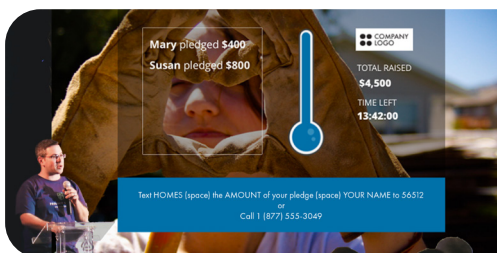

The funds are deposited into your organization's merchant account.

5

Reports

Use our administrative dashboard to run reports and manage donor relations.

Offer Call to Donate at your live and virtual events.
Donations made through this service can contribute towards your goal on our Fundraising Thermometer.
