

Captivate Your Visitors with a SMARTPHONE TOUR

How can you create a safe, hands-free experience?

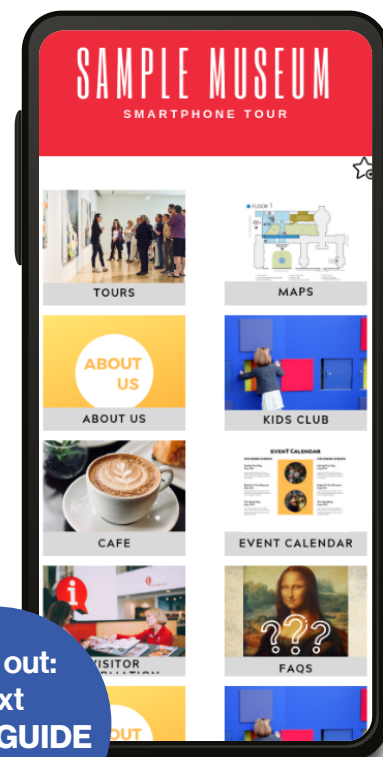

How can you connect with tech-savvy visitors?

How can you share all the fascinating information contained in your exhibits?

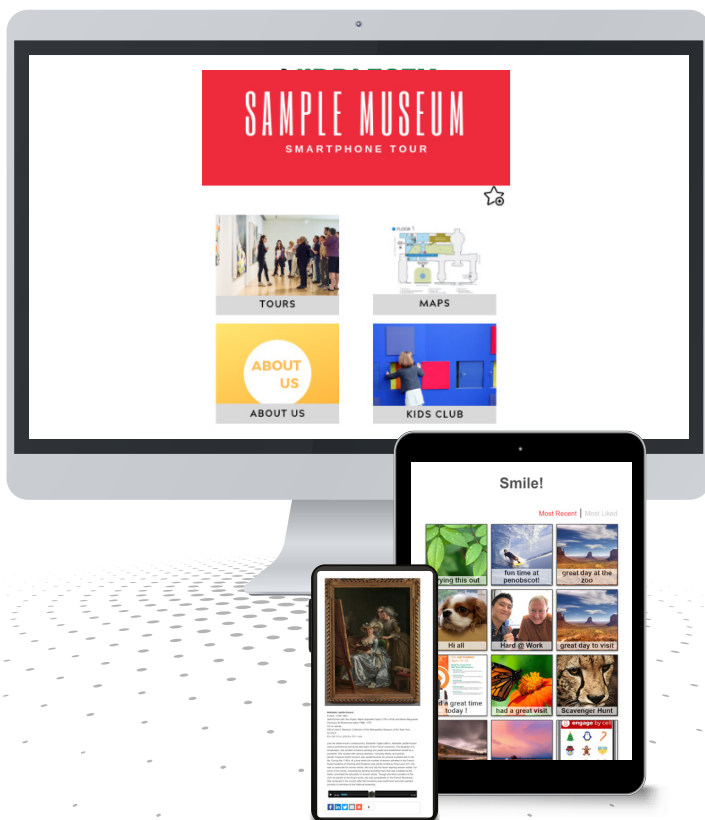

Provide visitors with an interactive way to EXPLORE EVERYTHING your venue has to offer with a smartphone tour from Engage by Cell.

By simply scanning a QR code or texting in your designated keyword, visitors can access various stops within your Engage by Cell smartphone tour in seconds. With our easy-to-use mobile platform, all of the content is delivered right into the hands of your visitors—**no downloads required**.

- Access in-person or through a virtual visit at home
- Viewable on smartphones, tablets, or personal computers

What does an Engage by Cell Smartphone Tour include?

UNLIMITED CONTENT

Share videos, audio clips, PDFs, GIFs, and images.

MOBILE FUNDRAISING

Allow visitors to make a donation to your organization with a link to your mobile donation form.

SELFIE STATION

Boost your social presence by encouraging visitors to share photos on your social media via an online portal.

VISITOR FEEDBACK AND POLLS

Allow visitors to privately provide essential feedback by submitting a form.

MEMBERSHIP

Remind visitors of membership opportunities by allowing them to sign up on their phone.

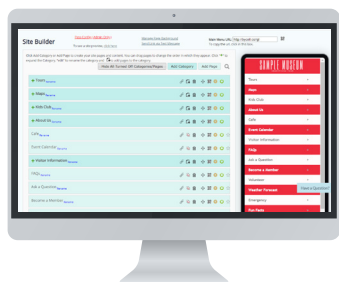

SCAVENGER HUNTS AND QUIZZES

Create scavenger hunts or quizzes. Build revenue by awarding participants in your gift shop.

Captivate Your Visitors with a SMARTPHONE TOUR

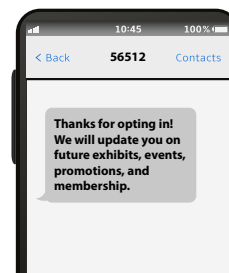

Additional Benefits

Make changes on the fly;
no IT department needed
