About Riding Dinner

Whether you are Viennese / Austrian or just visiting the most beautiful city in the world, Riding Dinner's purpose is to create the perfect all-round experience in Vienna. Of course this is reflected in our philosophy as well.

"Experience Vienna with all the senses..." - it is our desire to unite the culinary arts, sights and Vienna's Fiaker tradition, to convey the cultural and traditional values of Vienna, and to create emotions and memories for a lifetime - or just to say it shortly: "To Experience Vienna with all senses!"
