

# A For Adley Paper Boats!!

## included:

2 A For Adley patterned pages, a blank page to draw your own design, and a page with designed and blank flags.

## instructions:

We recommend getting help from an adult on this one!! Make sure to color blank pages before folding.

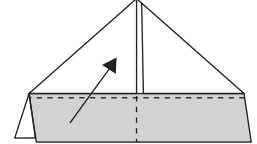

1. Fold the paper in half and then unfold.

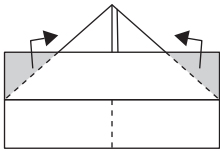

2. Fold in half again the other way.

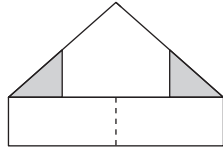

3. Fold top two corners (in gray) towards the center.

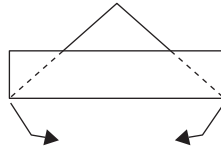

4. Fold front rectangular strip (in gray) upwards.

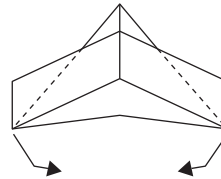

5. Fold corners of rectangular strip (in gray) over the back of the triangle. Flip paper over.

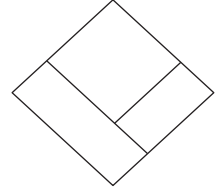

Step 5 after corner fold from other side.

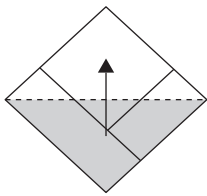

6. Fold rectangular strip upwards. Do not fold bottom corners on second strip. Hold bottom corners and push together.

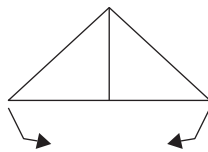

Step 6 in progress.

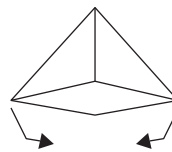

7. Pushing bottom corners together will make a flat square.

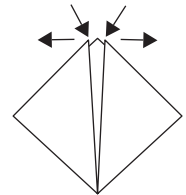

8. Fold top flap (in gray) upwards and turn over, repeat on other side.

9. Hold bottom corners and push together.

Step 6 in progress.

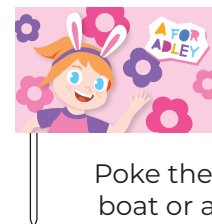

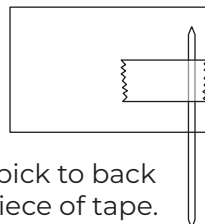

10. Grab upper corners and pull apart. The boats cabin will pop up.

Complete!

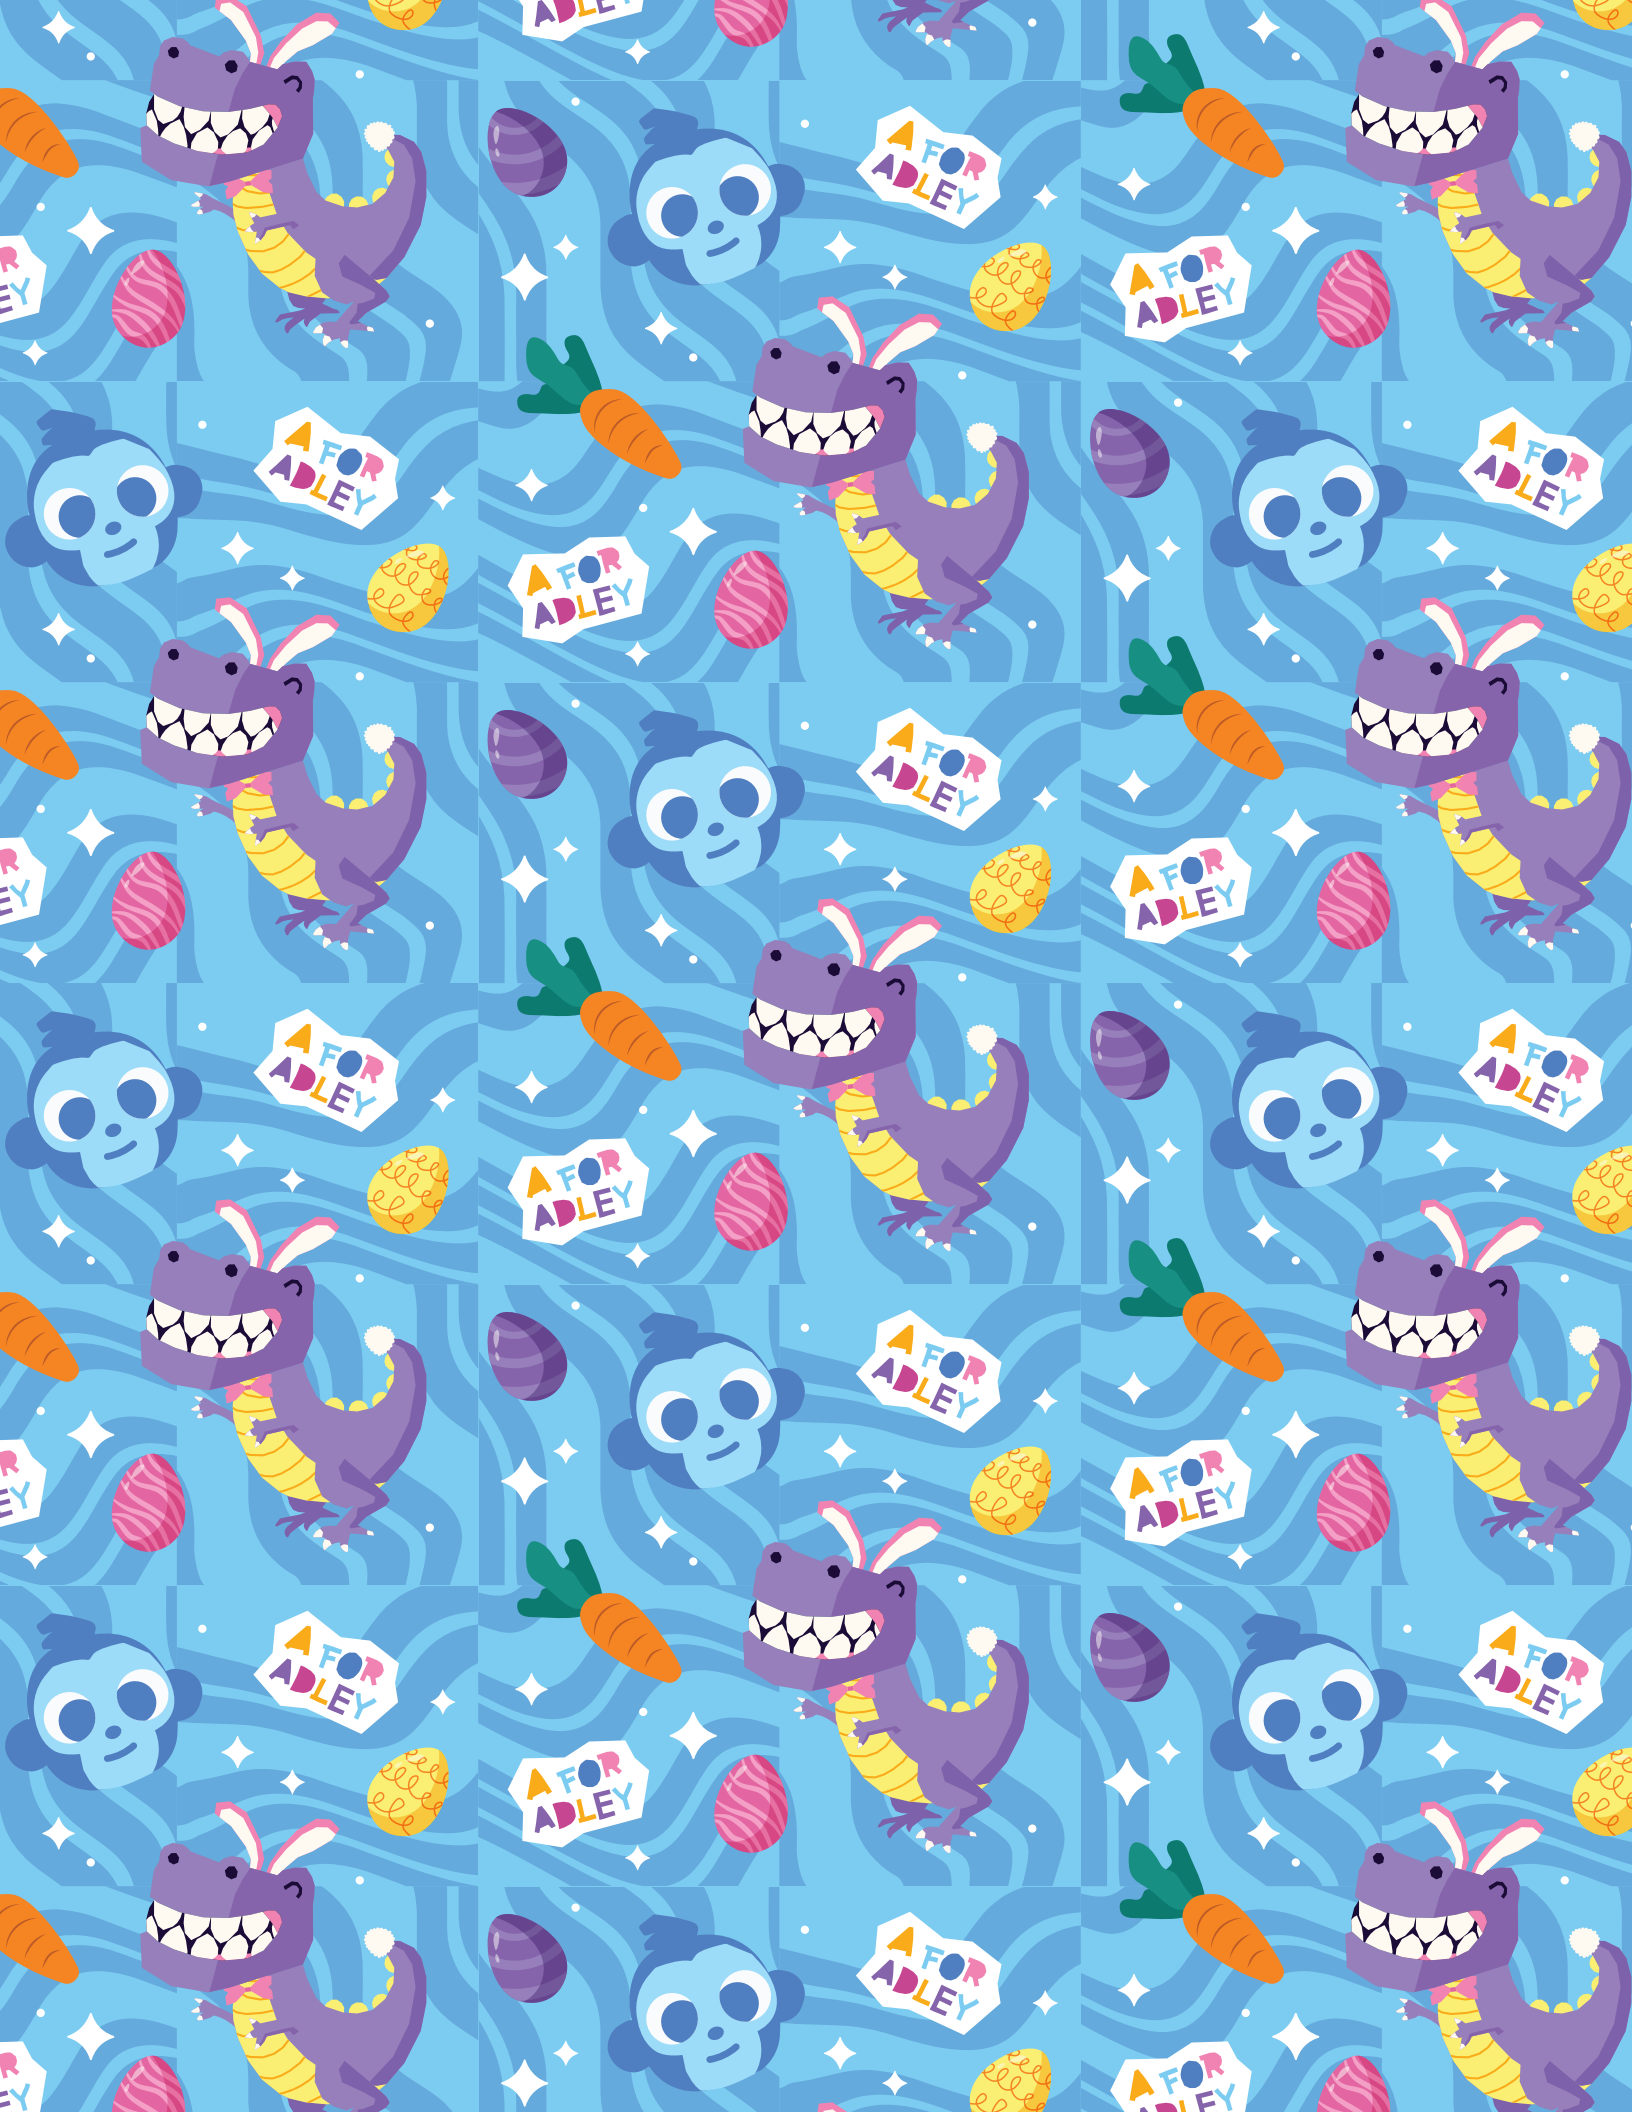

## flag:

Attach toothpick to back of flag with piece of tape.

Poke the flag into the boat or attach it with another piece of tape.
