

Take this opportunity to ask the Holy Spirit to reveal to you if you have been partnering with any lies of the enemy that are preventing you from fully connecting with God and living in all that He has for you.

We will use the following three-step process:

1. Recognize the Lie
2. Reject the Lie
3. Replace the Lie

Step 1: Recognize the Lie

Listed below are 99 examples of the kinds of lies the enemy uses to interfere with our ability to love God and love others. Read through these and identify the lies that you are believing.

After you identify which ones apply, ask Holy Spirit to identify the root of these lies by asking these questions (below) and make notes underneath the ones you identify.

1. "How has this interfered with your ability to connect with God?"
2. "How has partnering with this lie impacted your life?"
3. "Where did this lie come from? Was it spoken over you by someone?"
4. "Was there a particular experience or event that may be the root cause?" (Write it down)
5. "Is there is a person who the enemy may have used to inflict this wound or persuade you of this lie." (Write down names).

Steps 2 and 3: Reject the Lie and Replace the Lie

Now reject any lie you may have believed that does not line up with what God says is true by asking God to reveal the truth to replace it.

Identify (1) lie and go to one of our ministry partners and confess. Then you both will ask Holy Spirit for a truth to replace that lie, and stand with you in prayer.
