

Thank you for attending a Bayside Group!

A great letter that Pastor David Wilson constructed to send to participants of their groups. Sent the 12th week of the semester. It includes a participant survey, Invite to lead with links to My Bayside, My Leadership and the link to fill out a Leader form.

The survey was done in [Survey Monkey](#) and the questions have been copied [here](#) in another document.

Hello friends,

Thank you for being a part of our summer semester here at Lakewood Ranch Bayside Groups. We pray that you have had a great experience. In order to continue improving this experience we would love to get your feedback. You can participate in our short survey by clicking here.

To lead a group please follow these simple steps:

1. If you have not attended growth-track, you need to sign-Up for growth track "MyBayside" and fill out the Bayside covenant paper, this shows that you agree with the spiritual standards/covering here at Bayside. You can select to attend MyBayside on Sunday at 11am at the EBC Bayside Campus. [Sign-Up Here](#)
2. Complete the MyLeadership training (7 Videos). [Sign-Up Here](#)
3. Fill out the [Lead a Group form](#).

Thank you for taking the time to share with us your thoughts and we look forward to having you join us for our fall semester that opens up for Sign-Ups on September 14th and launches on September 30th.
