Semester Ends: Saturday 12-14-19

Ignite: Wednesday 9-25-19 7:00pm

Important

- *Everyone must wear a Bayside Groups T-Shirt, so the attendees know who to talk to.*
- *Language for Group Leaders: As people enter and exit the auditorium, ask "What kind of group are you interested in? or How can I help you find a group". Then make category suggestions, lead them to a group leader, introduce and connect them.*
- *We are signing people up for groups, not one group.*
- *Take pictures and post to your social media at least once during your shift and use #lakewoodranchgroups & @lakewoodranchgroups.*
- *Do not clutter up into groups or have your back to the people while they are looking for groups before and after services. It is uninviting to new people. We want everyone to feel welcome!*
- *Walk, don't point.*
- *Listen, pay attention, and find answers.*
