Series Overview

Sermon Overview

Sermon Outline

- Greeting
 - Introduce Myself (always someone who doesn't know you)
 - Get people to connect with you (something relevant, funny joke/story)
 - Promote anything needed very quickly
 - Set the tone for the message
- Introduction
 - What we talking about today
 - My thesis statement is always here (problem/passage/prescription)
 - Give the Bible verse for the sermon or series
 - Expand as much as needed
- Points
 - Introduce the idea
 - Talk about the point/idea/concept
 - Illustrate
 - You want this to bring color and life to your point
 - Scripture
 - Bible verse to back up the point
 - Explain
 - Elaborate on the scripture and connect it to what you're trying to say today, translate the scripture and connect it to modern culture and language
- Conclusion
 - Wrap up everything I am trying to say here, what's the answer to my Thesis statement?
 - This is what people will remember the most from your sermon
