SIDES

French Fries | Coleslaw | Black Beans and Rice| Broccoli | Yellow Rice | Pasta Salad

Key West was a bastion of free thinkers in the 1930s. Joe Russell was an enterprising individual who operated a speakeasy there during Prohibition. Ernest Hemingway was a frequent client at Russell's to purchase illegal Scotch. There the two struck up an enduring friendship. It was Hemingway who championed the name Sloppy Joe's because the floor of the bar was always covered with melted ice... and the name stuck.
