UNIVERSITY

Brand Style Guide

Update 11-09-23

Three legacies. Two centuries. One mission.

Pennsylvania Western University represents the integration of California, Clarion and Edinboro universities and a Global Online division. Situated in Western Pennsylvania, with physical campuses spanning 160 miles from north to south, each of the three regional public institutions boasts a history that goes back more than 150 years.

This style guide represents a nod to the past through the incorporation of campus colors and wordmarks, while building on them to create a new identity for a unified university that harnesses our collective strengths.

It is the graphical representation of who we are as we evolve, adapt and innovate to ensure we continue to serve students for generations to come.

At PennWest, our students, faculty and staff are:

Wordmark

Also known as a “logotype,” this is a design of a brand name using text only without additional graphics. Approved uses of PennWest wordmarks are outlined beginning on page 12.

Brandmark

This is a graphic or symbol that visually represents a brand without accompanying text. PennWest brandmarks may be used as separate design elements as outlined on page 14.

Lockup

Also referred to as a “combined mark,” this is a complete graphic identity that includes the wordmark and brandmark together in an exact arrangement, or “locked” position. A lockup is what most people commonly refer to as an organization’s “logo.” Lockup usage is outlined beginning on page 9.

Mark

This is a general term used to refer to any wordmark, brandmark or lockup.

Nomenclature is a set of words and terms that defines PennWest University in written and oral communications. By using proper and consistent nomenclature, we continue to build recognition of the university's name and brand.

Pennsylvania's State System of Higher Education

Use the full name, "Pennsylvania's State System of Higher Education," in the first reference in text in any print or digital publication. In subsequent in-text references, "State System" may be used. Do not use the abbreviation "PASSHE," except when approved by PennWest Brand Strategy and Marketing/Creative Services.

PennWest University

While the official name of our accredited institution is "Pennsylvania Western University," "PennWest University" may also be used in marketing materials and everyday communications, per the guidelines below. When written, "PennWest University" should have no space between "Penn" and "West," even when text is in all caps as dictated by a publication design ("PENNWEST"). Usage of one or both names depends on the goal and audience of the materials:

- Formal academic materials and events such as Commencement ceremonies: "Pennsylvania Western University"
- General awareness marketing materials: First reference should be "Pennsylvania Western University" and subsequent references can be "PennWest University"
- Internal marketing and communications materials: "PennWest University" and/or campus-specific name (see pages 3-5)

California

The following names for the California campus are acceptable for use in all marketing and communications materials:

- “PennWest California”
- “PennWest University – California”
- “Pennsylvania Western University – California”

The following are acceptable alternate names for use in marketing materials only when one of the names listed above is first established in the same publication in text and/or display of the PennWest California lockup or wordmark.

- “California”
- “Cal”

Clarion

The following names for the Clarion campus are acceptable for use in all marketing and communications materials:

- “PennWest Clarion”
- “PennWest University – Clarion”
- “Pennsylvania Western University – Clarion”

The following is an acceptable alternate name for use in marketing materials only when one of the names listed above is first established in the same publication in text and/or display of the PennWest Clarion lockup or wordmark.

- “Clarion”

“Wings Up” is an acceptable term to be used in text related to PennWest Clarion, but not as a replacement for any of the names listed above. This term can also be used on licensed merchandise.

Edinboro

The following names for the Edinboro campus are acceptable for use in all marketing and communications materials:

- “PennWest Edinboro”
- “PennWest University – Edinboro”
- “Pennsylvania Western University – Edinboro”

The following are acceptable alternate names for use in marketing materials only when one of the names listed above is first established in the same publication in text and/or display of the PennWest Edinboro lockup or wordmark.

- “Edinboro”
- “Boro”
- “The Boro”

Global Online

The following names for the Global Online virtual campus are acceptable for use in all marketing and communications materials:

- “PennWest Global Online”
- “PennWest University – Global Online”
- “Pennsylvania Western University – Global Online”

The following is an acceptable alternate name for use in marketing materials only when one of the names listed above is first established in the same publication in text and/or display of the PennWest Global Online lockup or wordmark.

- “Global Online”

Campus Naming

When using an expanded name for any campus, it must be written with two spaces and an em dash separating the PennWest name and the campus name. The following are correct examples:

- “PennWest University – California”
- “Pennsylvania Western University – Clarion”

The following are incorrect examples:

- “PennWest University–Edinboro” (no spaces before and/or after the em dash)
- “Pennsylvania Western University - Global Online” (using a short en dash rather than an em dash)

Satellite Locations

PennWest Clarion includes two satellite locations at Somerset and Venango, which should be represented as follows:

- “PennWest Clarion – Somerset”
- “PennWest Clarion – Venango”

The names must be written as shown with two spaces and an em dash separating “PennWest Clarion” and the satellite location name. The alternate names “Somerset” and “Venango” are acceptable for use in respective marketing materials only when one of the names listed above is first established in the same publication in text and/or display of the lockup or wordmark.

Degree Designations

When listing degrees after names of alumni, the following formats are correct:

- Associate or bachelor’s degree: “Jane Smith ‘17”
- Graduate degree: “Jane Smith ‘17G”
- Multiple degrees: “Jane Smith ‘17, ‘19G”

When listing a doctorate degree, the following format is correct:

- “Jane Smith, Ph. D.”

- “Foundation for California University of Pennsylvania”
- “Clarion University Foundation, Inc.”
- “Edinboro University Foundation”
- “California Alumni Association”
- “Clarion University Alumni Association”
- “Edinboro University Alumni Association”

- “College of Education, Arts and Humanities”
- “College of Health Sciences and Human Services”
- “College of Science, Technology and Business”

- “Department of Education”
- “Department of Communication Sciences and Disorders”
- “Department of Biology, Earth and Environmental Sciences”

Academic department names used in marketing materials such as banners and brochures do not require “Department of” and can be in simple format. For example:

- “Education”
- “Communication Sciences and Disorders”
- “Biology, Earth and Environmental Sciences”

Non-academic department names do not require “Department of” and can always be in simple format. For example:

- “Admissions”
- “Campus Life”
- “Residence Life and Housing”

Anti-Discrimination Statement

The following statement in long or short form should appear on all PennWest print and digital publications whenever possible. The statement may be omitted when the available space does not allow for this additional text.

Long form:

Pennsylvania Western University (PennWest California, PennWest Clarion, PennWest Edinboro, PennWest Global Online) is an academic community dedicated to the ideals of justice, fairness, and equal opportunity for all. In compliance with federal and Pennsylvania laws, the University is committed to providing equal educational and employment opportunities for all persons without regard to race, color, sex, religion, national origin, age, disability, sexual orientation, or status as a veteran or disabled veteran. The University will not tolerate any type of discrimination, harassment, or violence. For more information, visit PennWest.edu/equity-title-ix.

Short form:

Pennsylvania Western University (PennWest California, PennWest Clarion, PennWest Edinboro, PennWest Global Online) is an inclusive and equal opportunity academic community and does not condone any form of unlawful discrimination. For more information, visit PennWest.edu/equity-title-ix.

The primary lockup is the full-color horizontal orientation shown here. The lockup includes a compass symbol with the left arrow extended in a westward direction, becoming the crossbar of the lower case "t." Inside the compass is a keystone representing the Commonwealth of Pennsylvania with the west side highlighted.

Certain marketing and communications materials will require the use of a campus-specific version of the PennWest lockup. Those items will be determined on an on-going basis by PennWest Brand Strategy and Marketing/Creative Services based upon institutional strategy. Any on-campus branding such as banners, signage, etc. may use the appropriate campus-specific lockup.

The Global Online version of the PennWest lockup should be used for all marketing and communications materials related to the Global Online campus.

The Pennsylvania Western University lockup is primarily used for official academic ceremonial materials such as diplomas and Commencement programs. This lockup can also be used on marketing materials as dictated by university marketing strategy and approved by PennWest Brand Strategy and Marketing/Creative Services.

Long versions of PennWest wordmarks are reserved for extreme horizontal imprint areas on pens, signage etc. All uses of long wordmarks must be approved by PennWest Brand Strategy and Marketing/Creative Services.

BRANDMARKS

It is acceptable to use brandmarks as individual design elements. This includes the graphic unique to each mark used either separately or within the compass. Brandmarks can be used as complements to lockups within a print or electronic publication, but not as replacements for lockups. Using only the compass without a graphic inside is not acceptable, as outlined on page 40. All usage of brandmarks as separate design elements must be approved by PennWest Brand Strategy and Marketing/Creative Services.

CLEAR SPACE

The minimum amount of clear space between the lockup and text or another graphic element is equal to the height of the "U" in "University."

When using the PennWest primary lockup in conjunction with other text or graphic elements, a minimum amount of clear space surrounding the lockup must be used. Leaving space around the lockup ensures that it will stand out appropriately. The minimum clear space is equal to the height of the capital "U" in "University." No additional text or graphic elements may appear in this clear space.

CLEAR SPACE

The minimum amount of clear space between the mark and text or another graphic element is equal to the height of the "U" in "University."

The same clear space rules apply to the PennWest wordmark and Pennsylvania Western University lockup.

CLEAR SPACE

The minimum amount of clear space between the lockup and text or another graphic element is equal to the height of the "C" in "California."

The minimum amount of clear space between the lockup and text or another graphic element is equal to the height of the "C" in "Clarion."

The minimum amount of clear space between the lockup and text or another graphic element is equal to the height of the "E" in "Edinboro."

The minimum amount of clear space between the lockup and text or another graphic element is equal to the height of the "G" in "Global Online."

The same clear space rules apply to campus and Global Online lockups and wordmarks, however the minimum clear space adapts to the height of the first capital letter in the campus name. No additional text or graphic elements may appear in this clear space.

MINIMUM SIZE

Do not reproduce PennWest lockups less than 1.625" wide or 200 pixels.

Do not reproduce PennWest wordmarks less than 1.25" wide or 155 pixels.

For optimal readability and clarity, PennWest lockups and wordmarks should not be reproduced smaller than the minimum sizes listed here.

MINIMUM SIZE

Do not reproduce the Pennsylvania Western University lockup less than 1.5" wide or 185 pixels.

For optimal readability and clarity, the Pennsylvania Western University lockup should not be reproduced smaller than the minimum size listed here.

correct

incorrect

Centered from the left and right edges of the mark

When centering PennWest lockups, adjust the position of the mark to be centered from the left edge of the "P" to the right edge of the circular shape within the compass, not the extended eastward arrow. This allows the mark to appear visually centered. Likewise with compass brandmarks, center the marks using the left and right edges of the circular shape, not the extended arrows.

On light apparel, use the primary versions of PennWest lockups, wordmarks and brandmarks.

On neutral-colored apparel, the alternate two-color versions of PennWest lockups, wordmarks and brandmarks may be used.

Alternate two-color versions of marks may also be used on apparel with a neutral color material such as a medium gray. These versions replace PennWest Blue with white, and can be used when the second color will reproduce well on the apparel color, but PennWest Blue will not. If neither color will reproduce well on the apparel color, refer to the approved one-color options and uses for light and dark backgrounds outlined in this guide. The cap height of the unit text is equal to half the height of the lower case letters in "PennWest," placed below the lockup at a distance equal to the cap height of the unit text itself.

Individual colleges, departments and offices may use their name underneath the PennWest University lockup on signage, stationery, marketing materials and promotional items, when approved by PennWest Brand Strategy and Marketing/Creative Services. The unit text name should always appear in the Gibson Regular typeface in PennWest Blue, centered under the PennWest lockup.

For all colleges, the cap height of the unit text should be equal to half the height of the lower case letters in "PennWest." The name should be positioned below the word "University" at a distance equal to the cap height of the unit text itself.

UNIT TEXT

Intended for college names and long department names.

The cap height of the unit text is equal to half the height of the lower case letters in "PennWest," placed below the lockup at a distance equal to the cap height of the unit text itself.

Medium

Intended for unit text with 2-4 words.

The cap height of the unit text is equal to the distance between the top of the keystone and the top of the north point of the compass, placed below the lockup at the distance shown.

Large

Intended for unit text with 1-2 words.

The cap height of the unit text is equal to the cap height of the word "University," placed below the lockup at the distance shown.

Unit text size for departments and offices is dependent upon the number of words in the name. There are three acceptable unit text sizes as shown above. The unit text name should always appear in the Gibson Regular typeface in PennWest Blue, centered under the PennWest lockup.

Somerset and Venango locations of PennWest Clarion have custom lockups that include the location name as unit text. These lockups may be used in stationery, official correspondence and marketing materials for those specific locations. The name of each location is purposely larger than the names of PennWest colleges and departments.

Correct usage of all marks is critical to building and maintaining a successful brand identity. All usage of PennWest marks must follow the standards established in this Brand Style Guide. As a general rule, do not alter, separate, reposition or recreate lockups, wordmarks or brandmarks in any way. The following pages provide some examples of unacceptable usage, however please consult PennWest Brand Strategy and Marketing/Creative Services with any questions.

Do not combine PennWest marks with official athletic branding. The California, Clarion and Edinboro campuses maintain separate athletic brand style guides as outlined on page 49.

The TM symbol should be used with all PennWest marks on retail merchandise and products.

The SM symbol should be used with all PennWest marks on marketing and communications materials.

Using the TM symbol (trademark) or SM symbol (service mark) provides public notice that we claim rights to all PennWest marks until the marks can be officially registered with the United States Patent and Trademark Office. The TM version is intended for use on retail merchandise and products, and the SM version is intended for use on marketing and communications materials. PennWest publications and materials created for internal uses only do not require the use of a TM or SM symbol on lockups, wordmarks or brandmarks.

The Pennsylvania Western University seal is the official representation of the University, and is reserved only for ceremonial academic publications, diplomas, certificates and special correspondence. The primary usage of the seal is the full-color version shown here.
