

Architectural Real Wood Casing & Jamb Extension

Curved casing and jamb components made of real wood for interior trim applications.

Available in poplar, red oak or clear eastern white pine, these curved components are manufactured from laminated wood strips. No finger jointing or piecing is used. Poplar is the standard offering; red oak or clear pine are available upon request. Square rosettes also are available: 2.75 x 2.75 inches and 3.75 x 3.75 inches.
