

2021/22 DRFAWA ELIGIBLE DISASTER PROCLAMATION NOTIFICATION

AGRN1024 TROPICAL CYCLONE ANIKA (26 FEBRUARY – 4 MARCH 2022)

The above event has been proclaimed an *eligible disaster* under the Disaster Recovery Funding Arrangements, Western Australia (DRFAWA), pursuant to clause 5.1 of the Disaster Recovery Funding Arrangements (DRFA) (the *Arrangements 2018*), issued by the Commonwealth Government Department of Home Affairs. The State Government will provide financial assistance to those people who have been affected through joint State and Commonwealth disaster relief and recovery arrangements.

On 26 February 2022, Tropical Cyclone (TC) Anika made landfall near Faraway Bay in the Shire of Wyndham-East Kimberley. The cyclone brought gale force winds and heavy rainfall, damaging private residences and essential public assets. The Kalumburu community recorded 250mm of rainfall in a 24-hour period.

The Shire of Wyndham-East Kimberley reported damage to the Gibb River-Kalumburu Road, with floodways impacted, scouring and rutting of the road surface and debris strewn across the asset. The Kalumburu community was impacted by the event and SES crews mobilised to the community to carry out clean-up operations, including removal of trees on residential properties. Following the event, the township was accessible by air only.

Pursuant to subclause 1.1.1 of the *Arrangements 2018*, 'Cyclone' and 'Flood' are deemed to be eligible *natural disaster* events.

For the purposes of the DRFAWA this event will be referred to as '***Tropical Cyclone Anika (26 February - 4 March 2022)***'.

The DRFAWA is jointly funded by the State and Commonwealth Governments and administered by the Department of Fire and Emergency Services (DFES), with assistance from other agencies. Through the DRFAWA, the Western Australian and Commonwealth Governments provide assistance to people who have suffered the direct impact of a proclaimed disaster event.

The Local Government districts currently subject to this proclamation are as follows:

Wyndham-East Kimberley

If information becomes available that identifies other local government districts as potentially having been directly impacted by this disaster event, subject to further assessment these local government districts may, at a later date, be included in the affected area.

The eligible costs for this event are anticipated to be largely associated with the restoration and replacement of the road network infrastructure.

Assistance may be available for the following measures (*where appropriate*) typically covered by the DRFAWA:

- **For individuals and families** – Personal Hardship and Distress grants which are administered by the Department of Communities (Child Protection and Family Support Section). Potential measures include emergency food, accommodation, clothing, temporary living expenses, replacement of essential household contents and housing repairs to return housing to a habitable, safe and secure condition. **Note – some of these measures are subject to income and/or assets testing.**

- **For Local Governments & State Government Agencies** – Clean-up costs and the restoration or replacement (to pre-disaster function) of *essential public assets* including local road damage. State road restoration is through Main Roads Western Australia. Only costs incurred that are ‘additional’ costs, and are directly related to the event, will be eligible for reimbursement.

Note - The *allowable time limit* for eligible on-ground activities related to Essential Public Asset Restoration Works (EPAR) expires on 30 June 2024.

Claims in respect of any other *eligible measures* may also be considered.

It should be noted that assistance under the DRFAWA is not designed to supplant or operate as a disincentive for self-help by way of commercial insurance.

Primary Contacts

Primary contacts for assistance/advice are:

- ☐ Department of Communities, Emergency Services (Child Protection and Family Support) by phone on 1800 032 965, or via website [here](#);
- ☐ Main Roads Western Australia regional offices for road infrastructure via website [here](#);
- ☐ Other enquiries may be directed to the Dept. of Fire and Emergency Services. Contact DRFAWA Administrators by phone on 6392 1606 or 6392 1642, or by email to drfawa@dfes.wa.gov.au
