

GENEVA SDG COMMUNITY ANNUAL MEETING

Leading up to the 2022 Global Goals Week, join us in the Annual meeting of the Geneva SDG Community. Held in person for the first time since the onset of COVID-19, the meeting represents a unique opportunity to hear from thought leaders on the power of networks to mobilize SDG action.

Meet and connect with other members of the community and learn and share best practices on SDG implementation! The meeting will also leave plenty of time to network in smaller groups and provide participants will the opportunity to shape future activities of the Geneva SDG community!
