FIELD EXAMINATIONS

We offer field collateral examinations to lenders within the Factored, Commercial & Industrial (C&I) and Asset Based Loan (ABL) marketplaces.

R&F performs field examinations that can range from one field day to forty man days. Our examiners are full time employees of R&F. We use our own propriety template that is continually updated with procedures to adapt to the changing landscape, however R&F is also proficient with many other lender templates. R&F is constantly investing in new technology to meet the security standards of top lenders around the world.

The scope of the Field Exam is customized to ensure that all Lender specifications and timelines are met. The outcome is to provide Lender's with a thorough objective analysis to assist in making proper decisions and help manage their relationship with the borrower or prospective borrower better.

Types of Field Exams:

- Standard Field Examinations
- Pre-loan Surveys
- Recurring Field Examinations
- Takeovers and Takedowns
- Workouts and Liquidations
- Specialized Engagements

We also offer additional enhanced services including:

- Assisting In-House Examiners of Lenders
- Test Count Services
- Forensic and Workout Engagements
- Expert Testimony

OUR COMPANY

Founded in 1996, R&F has earned and maintained a reputation for offering its clients the highest standards of quality, consistency and value making us an industry leader when it comes to asset based lending field examinations and other financial consulting services.
