

arco

Product Sheet

Encourage collaboration and the exchange of ideas in an architecturally discreet space with a superior level of acoustic privacy. ARCO is a freestanding pod that offers great visual transparency and whose geometrical disposition helps to reduce the noise disturbance often found in the open floor plan workspace. ARCO is designed to be easily disassembled and repositioned to offer the most flexibility for the ever-changing, fast-paced work environment.

Sizes

Small: 10' x 12'

Medium 13' x 14'-6"

Large: 14'-6" x 16'-6"

Glazing and Panels:

Single glazing
Glass thickness: 1/2" and 3/8"
Tempered, laminated, low iron (extra clear), and specialty glass

Profile:

Profile dimensions for single glazed top and bottom extrusion: W1" x H2-3/8"
Aluminum

Tolerance:

Shims for leveling

Junctions:

Available in polycarbonate

Gaskets:

Wall: available in black, white, and grey

Ceiling Condition:

Freestanding system
Maximum height of 10'

Acoustical properties:

Single glazed STC assembly score ranges estimated at: 29 - 32

Integrated electrical components:

Plug & Play
High and low voltage wiring
Integrated electrical components including room scheduler, card reader, and electrical strike available

Lead times:

8-10 weeks on standard clear anodized
10-12 weeks on custom system

Sustainability

At Muraflex, we are dedicated to diminishing our impact on the environment. We are also committed to continually improving our procedures in terms of product development, supply, packaging and distribution in an effort to minimize our environmental footprint.
