

Mecho®/5 System

Sets the standard for quality and performance

Mecho/5 is the only complete hardware-and-shadecloth system with a twenty-five year Limited Warranty including 100% replacement and no depreciation over the life of the warranty.

When installed with EcoVeil® shadecloth, the Mecho/5 system is the only Cradle to Cradle Bronze™ certified window-shading system in the U.S.

For multi-banded applications, Mecho's adjustable shade coupler is included to speed the installation process and ensure precise, even and consistent shade heights and eliminate hembar misalignment.

Features

- Patented technology allows for a smooth and consistent experience
- Mecho/5 durability is built for commercial applications
- Single or double-shade bracket options
- Smooth and quiet operation
- Works with large shades and multibanding without motorization, saving time and money
- A patented, overrunning-clutch-drive system
- An oil-impregnated, self-lubricating, large-diameter sprocket
- Fast, easy installation
- Field-tested and performance-proven reliability from hundreds of thousands of installations
