

Legal Notice

Regardless of the rights and obligations contractually assumed by each client, the user of the service undertakes to use the site in accordance with the law, not using it for any purpose other than that for which it is meant, and avoiding any action which might prevent its normal use.

Under no circumstances may the site be used in prejudice to the rights and interests or any third parties or of Shiji Information Technology Spain, S.A, nor for the purposes of carrying out activities which are unlawful or contrary to the market or to socio-economic norms.

The user will refrain from obtaining data or information through any procedures or applications other than those permitted and provided by this website, with Shiji Information Technology Spain, S.A reserving the right to withdraw or suspend the service from those users failing to comply with any of the norms of use contained herein, or any other which might be deemed similar.

The user accepts that Shiji Information Technology Spain, S.A has no liability in respect of any third-party content or information which might appear on its website, or in respect of the services offered possibly being interrupted due to causes or reasons of a technical nature or force majeure. Shiji Information Technology Spain, S.A is also unable to guarantee privacy and security when using the site, or to prevent unauthorised third parties from possibly becoming aware of the characteristics and/or circumstances of the use users make of the site.

Shiji Information Technology Spain, S.A can neither control nor guarantee the absence of computer virus or other undesirable elements which, through the site, might cause alterations or malfunctions in the users' hardware or software systems, and all liability is excluded for any damage which might be caused due to such reason.

The site might use cookies when the user browses the web, it being possible for the system to recognise the web-browsers used for accessing the site after the latter have been registered. In any event, users will have the option to prevent the installing of cookies on their hard drives.

If User is a Client of one or various Services provided by Shiji Information Technology Spain, S.A the user authorizes Shiji Information Technology Spain, S.A to include on the web page that the User is a Client of the Services of the Shiji Information Technology Spain, S.A and to publish on the web site the results and information obtained in relation to the User through the Services provided by Shiji Information Technology Spain, S.A.

In the event of any queries as to the use of the site, please send an e-mail to: info@reviewpro.com
