OFFICE AS A SERVICE

ABOUT US

Scaleup Office Split is an ideal place for anyone looking for a modernly equipped and professional working environment which is adaptable to everyone's needs.

Our goal is to provide each coworker a space to showcase themselves, to network and improve their performance with us. In addition to that, we offer our members a sophisticated service for every meeting and event.

WHY CHOOSE US?

One place, multiple spaces!

Being the largest coworking space in the city of Split, scaleup Office strives to create a place for our community to feel inspired, connected and motivated to achieve desired goals in our „office-as-a-service” system.

We offer various and alternative choices in opposition to the classic office settings depending on our user's needs.

BENEFITS OF COWORKING IN SCALEUP OFFICE

- Network and collaboration
- Appealing location
- High quality spaces
- Instant booking
- High speed internet
- Shared kitchen
- Parking lot nearby
- Various facilities nearby

WORKSPACE

PRIVATE OFFICE

- The Private Office is designed for any team that wants a personal and lockable office as well as discretion for their tasks, allowing them to focus on important things and increase productivity.
- Each of our private offices is equipped with ergonomic chairs and multi-purpose desks, alongside with high-speed Internet (LAN, WLAN), USB ports and 3+ machine sockets per workplace.
- Spaces are for 5-15 workplaces.

DAILY PASS

- Stay flexible at all times and book a free workspace in our Open space with direct access to the sunny loggia as needed.
- We have equipped the coworking office with ergonomic furniture adaptable to each person, high-speed internet along with USB ports and 3+ machine sockets per workplace.

DealDESK

- Stay flexible at all times and book a free workspace in our Open space with direct access to the sunny loggia as needed.
- Depending on the option you choose, you can use the desk for 4, 8 or 12 days throughout the month.
- We have equipped the coworking office with ergonomic furniture adaptable to each person, high-speed internet along with USB ports and 3+ machine sockets per workplace.

FixDESK & FixDESKplus

- Ideal for those who will stay in our office for a longer time.
- The member gets his place in an air-conditioned space with a view of his choice and lockable storage box to safely store belongings.
- We have equipped the coworking office with ergonomic furniture adaptable to each person, high-speed internet along with USB ports and 3+ machine sockets per workplace.

MEETING ROOM

- With space for up to 10 people, our meeting rooms are perfect for your next workshop, team meeting, seminar or simply for a confidential conversation.
- The space is equipped with high quality furniture and accompanying content needed for any good presentation (projector, screen, magnetic board).

EVENT SPACE

- Our Event space can be used for a wide variety of events, and depending on the seating, up to 100 people can take part in the events.
- The event space is equipped with accompanying content needed for any good event (projector, electric screen, magnetic board, speaker, microphone).
- Upon request, we are able to take care of the catering and other accompanying services.

COMMUNITY MANAGEMENT

Scaleup community management is always at your disposal, whether it is help with offices and equipment or organization of events, teambuilding, workshops and business meetings.
