

Hello Volunteers!

Hope you are enjoying some rest and relaxation during the holiday season! The Biathlon North American Cup & World Youth Junior Trials is only 9 days away and we are DESPERATELY in need of Volunteers!! If you have already signed up to volunteer, THANK YOU so much, can't wait to see you out there!

If you have not, we still have 136 positions open needing your help for the competition week of Jan 4-8th. Please consider volunteering for full days, if possible, to avoid gaps. All volunteers will get hot lunches and a limited edition especially created headwear!

We, as the organizing committee and athletes greatly appreciate your support in making these competitions happen! Please register by Thursday, December 29th to give us a good handle on volunteer numbers!

No previous biathlon volunteer experience required! We will train on site the day of the event! Bring a friend or family member and be in the thick of watching these top athletes ski and shoot their way for coveted spots to represent Canada on the international stage!

It only takes a few seconds to sign up! Times indicated are the volunteer start times. Consider arriving a few minutes early to complete check-in, grab some refreshments and your swag!

Volunteer Here: https://sovereignlake.galaxydigital.com/agency/detail/?agency_id=213909

Parents & Family: If you have an athlete competing at this event, please consider supporting your athlete by volunteering! When there are adequate volunteers, everything goes smoothly, and it ensures athletes get the best competition experience! AND it's a great way to get front row seat to see the action in the stadium and/or range!

Thank you for volunteering!

Please connect with Lynn Algra at biathlon@sovereignlake.com if you have any questions!
