Risk Warning: Trading Commodity Futures and option, Forex and CFDs on margin carries a high level of risk and may not be suitable for all investors. You may lose more than your initial deposit and could be required to deposit additional funds. Please ensure you fully understand the risks and take care to manage your exposure.

By nature, this gearing or leverage result in substantial losses or gains and may have an equally proportional effect on the cash balances of your trading account. Geared transactions or those that use leverage could permit you to sustain a total loss of initial margin funds and require you to deposit additional funds to maintain your position. Additional risks associated with Internet-based trading systems include software, hardware or internet connection routes. LTG-Trading is not responsible for communication or hardware failures.
