Date	Week	Goal Hours	Actual Hours	Overall Plan	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
06/07/2022	1	13	13	Determining baseline proficiency in LSAT question types (including the LSAT Writing sample)	Practice LSAT test (with writing sample, without unscored section) 3 hours	Meet with tutor 1 hour	Writing: Understanding prompts, choices, and considerations for argument construction (with gridwork) 3 hours	Reading Comprehension: Identifying best approaches to answer reading comprehension questions and gaining familiarity with passages 2 hours	Analytical Reasoning: Understanding the basics of "logic games" and practice 2 hours	Logical Reasoning: Understanding the basics of logical reasoning questions 2 hours	Rest Day
13/07/2022	2	20	20	Introduction to specific question types for all sections (continued from last week) and flashcard review	Meet with tutor 1 hour	Writing: Weighing and understanding the most important considerations and writing practice 3 hours Logical Reasoning: Working with assumptions (necessary and sufficient assumptions) 2 hours	Analytical Reasoning: Grouping games and problem-solving 3 hours	Reading Comprehension: Comparative reading (analyzing passages, content, and main ideas) 3 hours	Logical Reasoning: Determining flaws in arguments 3 hours	Review flashcards on all topics studied this week 5 hours	Rest Day
20/07/2022	3	19	18	Writing practice, flashcards, and linear logic games	Meet with tutor 1 hour	Writing: Argumentative writing practice 2 hours	Analytical Reasoning: Practicing scenarios with two/three variables	Reading comprehension: Comparing passages (extrapolating and parallel reasoning with analogous cases) 3 hours Writing: Understanding word usage and sentence structure for clear writing 1 hour Review flashcards 1 hour	Logical Reasoning: Inference practice (identifying "cannot be true" cases) 3 hours	Review flashcards on all topics studied so far 4 hours	Rest Day
27/06/2022	4	21	22	Reading Comprehension, assumptions, and sequence/group logic games practice	Meet with tutor 1 hour	Logical Reasoning: Working with assumptions (assumptions that arguments depend on and determining which assumption justifies the argument's conclusion) 2 hours	Reading Comprehension: Practice analyzing content and identifying tone, structure, and purpose 3 hours Logical Reasoning: "Must be true" questions (based on provided information) 2 hours	Reading Comprehension: Understanding main ideas 3 hours Analytical Reasoning: Sequencing (determining sequences in linear scenarios) 3 hours	Analytical Reasoning: Grouping games and problem-solving 3 hours	Review all flashcards on topics studied so far 3 hours Logical Reasoning: Strengthening and undermining arguments 2 hours	Rest Day
04/07/2022	5	20	20	Begin crafting personal study guide, reading comprehension practice, and working with logic games for Analytical Reasoning	Meet with tutor 1 hour	Begin crafting personal study guide with strategies, important information, and new knowledge 3 hours	Reading Comprehension: Understanding context-dependent vocabulary, and organization and structure 3 hours Continue crafting study guide 1 hour	Analytical Reasoning: Linear logic games (four and five variable questions) 3 hours	Logical Reasoning: Main points/conclusions 2 hours Logical Reasoning: Inference practice 2 hours	Analytical Reasoning: Practicing scenarios with two/three variables 3 hours Continue crafting study guide 2 hours	Rest Day
11/07/2022	6	24	23	Use study guide to prepare for full-length LSAT practice test	Blocked off for event	Finish adding any more topics studied to personal study guide 2 hours Review study guide 3 hours	Review study guide 2 hours Reading Comprehension: Recognizing tone and purpose in passages, including identifying authorial tone 2 hours	Review study guide 2 hours Logical Reasoning: Understanding methods of reasoning in arguments 3 hours	Review study guide 4 hours	LSAT full-length practice test	Rest Day
18/07/2022	7	24	20	Discuss LSAT test results, pinpoint new improvement areas, continue with new content	Meet with tutor 1 hour	Add any new insights to study guide 1 hour Logical Reasoning: Parallel reasoning, point of issue, and identifying and resolving paradoxes 3 hours	Reading Comprehension: Inferences and extrapolating 4 hours	Analytical Reasoning: Grouping games Impact of new information in passages and practicing with 3 hours	Analytical Reasoning: Sequencing (determining sequences in linear scenarios) 3 hours Review flashcards 2 hours	Reading Comprehension: Practice analyzing content and identifying tone, structure, and purpose Review flashcards 2 hours	Rest Day
25/07/2022	8	25	27	Focus on Writing practice and Reading Comprehension practice, and review flashcards	Meet with tutor 1 hour	LSAT Writing practice 3 hours Reading Comprehension: Comparative reading (analyzing passages, content, and main ideas) 3 hours	Review flashcards 2 hours Reading Comprehension: Comparative reading (analyzing passages, content, and main ideas) 3 hours	Logical Reasoning: Determining flaws in arguments 3 hours Comparing passages (extrapolating and parallel reasoning) 3 hours	Analytical Reasoning: Linear logic games (four and five variable questions) 2 hours Writing: Practice with sentence structure, tone, and logical flow of ideas 2 hours Review flashcards 2 hours	Logical Reasoning: Main points/conclusions 3 hours Reading Comprehension: Inferences and extrapolating 3 hours	Rest Day
01/08/2022	9	24	24	Focus on Logical Reasoning and Analytical Reasoning Practice	Meet with tutor 1 hour	Logical Reasoning: Working with assumptions (assumptions that arguments depend on and determining which assumption justifies the argument's conclusion) 2 hours Analytical Reasoning: Working with scenarios with two/three variables 3 hours	Logical Reasoning: Parallel reasoning, point of issue, and identifying and resolving paradoxes 3 hours Logical Reasoning: "Must be true" questions (based on provided information) 2 hours	Analytical Reasoning: Grouping games and problem-solving 3 hours Reading Comprehension: Review of all topics 4 hours	Logical Reasoning: Inference practice 3 hours Analytical Reasoning: Analytical Reasoning: Sequencing (determining sequences in linear scenarios) 3 hours	Blocked off for weekend trip	Rest Day
08/08/2022	10	24	24	Review all topics with writing practice	Meet with tutor 1 hour	Review Logical Reasoning topics 5 hours	Review Anaytical Reasoning scenarios 5 hours	Review Reading Comprehension topics 5 hours	Writing practice 5 hours	Review flashcards for all topics 6 hours	Rest Day
15/08/2022	11	28	29	Prepare for full-length LSAT practice test	Identify new knowledge to add to personal study guide 3 hours	Review flashcards on all topics and identify any gaps 5 hours	Logical Reasoning practice 3 hours Reading Comprehension practice 2 hours	Review personal study guide 5 hours Writing practice 2 hours	Review personal study guide 3 hours Analytical Reasoning practice (all types) 4 hours	Review personal study guide 4 hours	Rest Day
22/08/2022	12	20	18	Take practice LSAT test and speak with tutor about results to determine any last improvement areas	Take full-length LSAT practice test 3 hours	Meet with tutor 1 hour Add new knowledge and insights to personal study guide 2 hours	Reading Comprehension practice 3 hours Writing practice 2 hours	Analytical Reasoning practice 4 hours	Logical Reasoning practice 3 hours	Blocked off for previous engagement	Rest Day
