

LOCATION AND PARKING DIRECTIONS FOR KORINJI

Korinji's guest parking lot is at: **S470 Hirst Road, Reedsburg WI**
(about 8 miles north of the Reedsburg town center)

Google Maps will take you to the correct spot, but you won't see much there: only the blue fire number sign "S470" and the entrance to a graveled lot. Please pull in and park there (do not park on the side of the road, as you may be towed by the county).

At the rear of the lot is a sign directing you to a forest trail that leads to the monastery, about a five-minute walk. Please watch your step, weather can make things slick!

After arriving at our main gate, walk uphill to the second building. Please plan to arrive at least 30 minutes prior to an event start time in order to give yourself time to park, walk, and get settled.

PLEASE NOTE:

If your mobility is limited, please let us know...we can direct you to an alternate staff parking area close to our facility. Please inquire. Note also that we are a rural property reached by small country roads; in case of snow, two-wheel drive vehicles may have issues driving in our area, and risk getting stuck.
