

Four Light Modern Linear Cluster Pendant Fixture with Glass Shades Satin Nickel

Detailed spec sheet for item AL10029P4

Elia

PRODUCT DESCRIPTION

The Elia features 4-inline pendants attached to a rectangular canopy. Each pendant is height adjustable and features a clear glass bell shade and four medium based sockets (E26). The canopy, cords, and pendants are finished in black for a modern look. Ideal for use over linear surfaces like kitchen islands, dining tables, and more. Suitable for commercial and residential installations. Use with Edison A19 bulbs or LED A19 Edison bulbs for a stylish and energy efficient lighting solution (40 watts max, bulbs not included). Dimmable when used with dimmable bulbs and compatible dimmer. ETL Listed for safety and quality.
