

LED Modern Geometric Rectangle Outdoor Wall Sconce Black

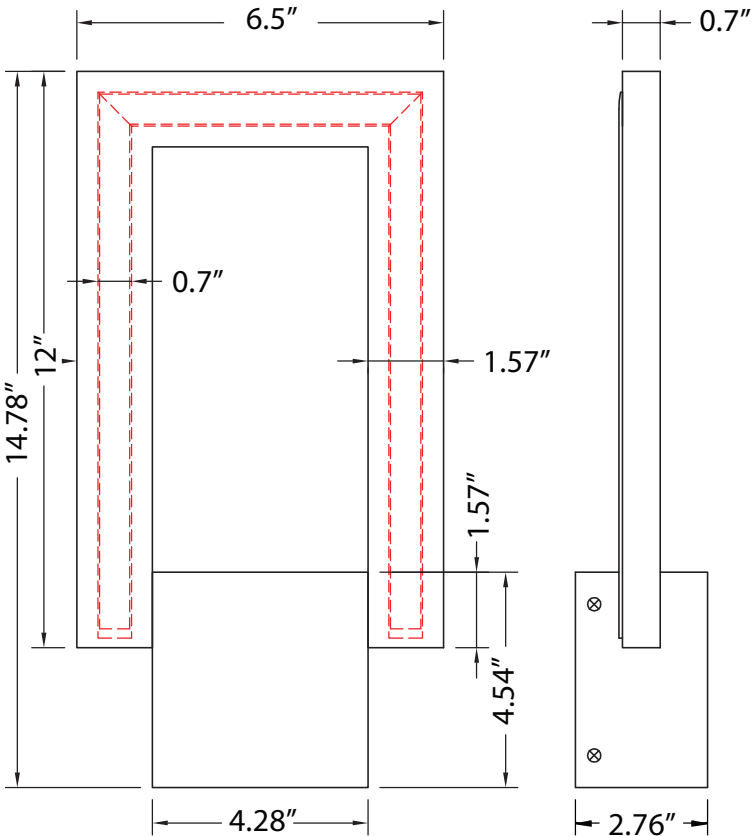

Detailed spec sheet for item AL10021WS

Catola

PRODUCT DESCRIPTION

The Catola LED outdoor wall sconce will bring a modern touch to your home or business. It features built-in LEDs that only use 12 watts of electricity. The LEDs shine from behind the geometric rectangle and wash the wall on both sides. Suitable for commercial and residential installations. Finished in black, this IP65 rated metal fixture is waterproof and designed for years of maintenance free service. It's ETL Listed for safety and quality.
