## INVEST PROGRAM

The Classical Academies has been offering high quality, tuition-free educational options for students since 1999. Today, the organization serves over 5,800 students in North San Diego County. The mission of The Classical Academies cannot be accomplished without private investment from individuals, businesses, and corporations. If you are someone who greatly values making a positive impact on students, we invite you to partner with us and invest in the future.

Introduce your business to our school community! Your philanthropic donation directly benefits students in grades TK-12 and the quality education they receive.

For more information about the Invest program, contact the Development Office at 760-520-6696 or email [foundation@classicalacademy.com](mailto:foundation@classicalacademy.com)
