#### В&С

At Brink & Campman we make collections of thoughtfully designed premium rugs. Brink & Campman has over 125 years of experience doing so. The craft of rug making means that no two rugs are exactly alike. The natural materials used in a handcrafted product might cause deviations in colour, texture or size.

This brochure has been created with great care. We make allowance for a degree of colour variation and cannot be held responsible for any printing errors or changes in the collection.
