

MURPHY PANELS

Engine Shutdown Panels

MODEL: D2

INOVATION

Enclosed in PolyCarbonate plastic enclosures that provide excellent resistance against water, dust and mud ingress; the WP-Range of panels are built to last. With a range of panel options covering everything from basic engine protection panels, to the advanced irrigation panels complete with an engine run-down timer and first-out indication for fault finding, you can be sure to find the right panel at the right price

Horsepower & Water

MURPHY
by **INOVATION** CONTROLS
