WE HAVE PARTS

Genuine Perkins Engine Parts

Perkins®

Keep it genuine
keep it **healthy**

Perkins
engineered for life

PERKINS TOUGH

Using genuine parts gives you the confidence that they will be a perfect fit to your Perkins engine to ensure it performs at its best, and will help prevent unplanned downtime due to failure.

GENUINE DEUTZ

WHY GENUINE PERKINS PARTS?

- Maximise the productivity and life of your equipment
- Promote longevity in the life of other component parts
- Promote efficiency in operation and in fuel consumption
- Assure the highest standards of safety and functionality

Using genuine Perkins parts reduces the risk of damage that can result from the use of non-genuine parts, such as...

- Rapid wear
- Compromised performance
- Poor reliability
- Higher oil and fuel consumption
- Component damage and failure
