

PHASE ZERO

Your Premium Onboarding Package for HubSpot

Good Reasons for Periti Digital as your Onboarding Partner

Periti is a European HubSpot consultancy with offices in Munich, Dublin and Lisbon. Periti was founded in 2021 by experienced HubSpot, Salesforce, and SugarCRM experts with the goal of building the best HubSpot implementation team in Europe.

Onboarding is tailored to each client and we focus on what you really need.

What makes our onboarding special?

- We match HubSpot's pricing, so we are cost neutral.
- No long waiting times: We can start your onboarding promptly.
- We address your individual requirements and support you where you really need our expertise.
- After a completed onboarding, you have a functioning solution that you can start working with right away.
- We value long-term cooperation and we are also available to you for further support after onboarding.
