Zwipe Insights

Zwipe is pioneering the next generation contactless payments experience, providing biometric payment cards and wearables that enable consumers to authorize transactions with their fingerprints without compromising their privacy.

Zwipe Insights is a market analysis of payment habits and how they link to consumers’ desire and willingness to have safer and more secure payments in-store.
We asked one screening question to the participants: If they had paid with a contactless card the last month.

111 of 138 participants qualified as they answered YES to the screening questions.

Have you paid with a contactless payment card in the last month?

- YES: 80%
- NO: 20%
Cards remain the most preferred payment method

In a store, what is your preferred method of payment?

<table>
<thead>
<tr>
<th>TYPE OF PAYMENT</th>
<th>Percentage</th>
</tr>
