Our cumulative school attendance is currently 93.2% which is a drop on previous weeks. Well done to Years 1, 5 & 6 who continue to achieve above school target with 94%+.

Regular school attendance is an important part of giving your child the best possible start in life and is important to your child's future. Of the 365 days in a year, 190 days (about 6 months) are in school, and 175 days (about 5 and a half months) are non-school days to spend with family, friends, on holiday, shopping, or other appointments.

Remember 90% attendance is equal to 1 day off every two weeks. If you feel you need help to support an improvement in your child's attendance, please book in to see Mrs. Green or drop in to Warm Welcome Wednesday.

Year 3 Free School Meals Promotion 13th-24th November

If your child usually brings a packed lunch to school this would be the ideal time for them to try school dinners as Caterlink are promoting free lunches for all children in Year 3.

To take advantage of this offer Year 3 children may choose a lunch from our usual menu and order it in class each day.

Well done, Freddie

Freddie recently competed at Birmingham Utilita Arena at the Inter Regional Tumbling Competition for Yorkshire. He is currently 14th in the UK for his age and level and competes at the highest level he can for his age.

We love to mark our children's out of school achievements. Please let us know so we can celebrate with them.

Best wishes,

Ms. S. Collier
Head of School
