

# Reflections on the River

## SPONSOR OPPORTUNITY

CELEBRATE • REMEMBER • HONOR

### Reflections on the River

September 7, 2023

7:30 pm – 9:00 pm

In celebration of our 6th annual *Reflections on the River* event, the community will come together for a short remembrance program with music and words of comfort, along with a memorial to veterans. This year's River Walk will be lined with 4,500 lights, representing our 45 years of service to the community. Also included are many personalized luminarias for community members to pause, reflect, honor and celebrate the memory of their loved ones. Participants may also meander the path of our luminaria-lined labyrinth.

As a sponsor, you will attract the attention of over 300 event participants and be mentioned in pre- or post- event information, depending on the level. Sponsors' customized luminarias along the River Walk will show our community your support and care.

Your sponsorship will support the expansion of the WVH Grief Care program so that we may offer additional services to hospice families and community members who are grieving. The Grief Care Expansion Project is enabling WVH to provide additional support groups, grief activities like Camp Mighty Oaks family day camp, and individual grief counseling, including services in Spanish. WVH Grief Care staff will also reach out to local schools and offer training and curriculum for staff to offer grief support groups on their campuses.
