

DISCLAIMER

www.leahsmith.com.au | Effective Date: 17/03/2020

All files, videos and activities as part of all Brushing Bootcamp Programs are solely for learning and education purposes and DO NOT replace the need for clinical dental advice by a registered dental professional. Activities are art based and require 100% supervision from an adult and are for the purpose of learning about oral health NOT replacing the need for regular dental care by a registered dental professional. During all activities throughout the Brushing Bootcamp Programs ensure all items and implements used to complete each activity are child friendly and child safe including the use of non-toxic, non-allergenic, child safe substances and that children are supervised 100% by an adult and wear personal protective equipment where necessary. It is advisable to wash hands before and after all activities and steps specifically instructing the supervising adult to perform MUST NOT be completed by a child under 18 years of age.
