## Our ethos statement

**I can make time for  
other people**

## Congratulations to our Award winners this week!

### Peace Awards

Franklin, Saskia, Hallie, Sadie, Bethel, Sebastian L, Theo

Dear Parents and Carers,

It was lovely to see many of you at our parent consultations this week, and in Church for our Easter service yesterday. Thanks, as always goes to Mrs Futers for leading our singing – as ever – so wonderfully.

I know as a parent myself how important it is to have key dates firmly in the diary! I will be looking to share key dates for the summer term upon our return together with the training days for next year too.

After Easter more of our afterschool clubs will start, and we are pleased to say the 'offer' continues to develop. I would like to thank parents and friends of our school who will be delivering clubs in the summer term and those who have offered to deliver in the autumn term. We would be interested in starting a coding club too and if any parents and/or friends of our school think they could help this term or in September we would love to hear from you.

It is truly wonderful to see us working together for the benefit of the school. You can also help by getting involved with FOSC. We are always keen to see new faces and it doesn't matter if you have never been involved before. The next meeting is on 23<sup>rd</sup> April at 7pm.

Easter is a time for reflecting, looking forward and as spring begins to appear the thought of new beginnings. It's also a time to be thankful. I am truly thankful to be part of this community and cannot believe that today marks the end of my first term. It has certainly been a whirlwind! I want to thank children, staff, school families, governors and our Church and local community for welcoming me so warmly and helping me to settle in. There is so much to look forward to and I am excited for the new term ..... after a little rest over the holidays! On behalf of pupils and staff, we wish you a wonderful Easter holiday.

**Kind Regards**

## **MORE Sporting success!**

On Wednesday, year 4 took place in a swimming gala at Holt Park against other local schools. I am delighted to say that not only did year 4 thoroughly enjoy themselves, St.Chad's were the overall winners.

ADD Individual winners

**Leeds North West**  
School  
**Sports**  
Partnership

Thank you to our year 3 parents for attending our recent 'Beat your parent' event. Our children were delighted to compete against their parents, and in some cases won! Miss Juckes would like to thank you for your engagement and encouragement with Times Tables Rockstars which is making a huge difference in children's recall of times tables as well as bringing great maths joy!

## **Paramedic Visit**

Last week, year 2 had a special visitor of Che's mum, Poppy. In PSCH we were learning about what to do in an emergency, what qualifies as an emergency and who to call. As a paramedic, Poppy was able to tell us about what her job looks like and then let us try out some of the equipment she uses.
