What We'll Accomplish Today

- Prep for next week's CHILA
- Create a storyboard—live!
- Reflect before the grant news comes out

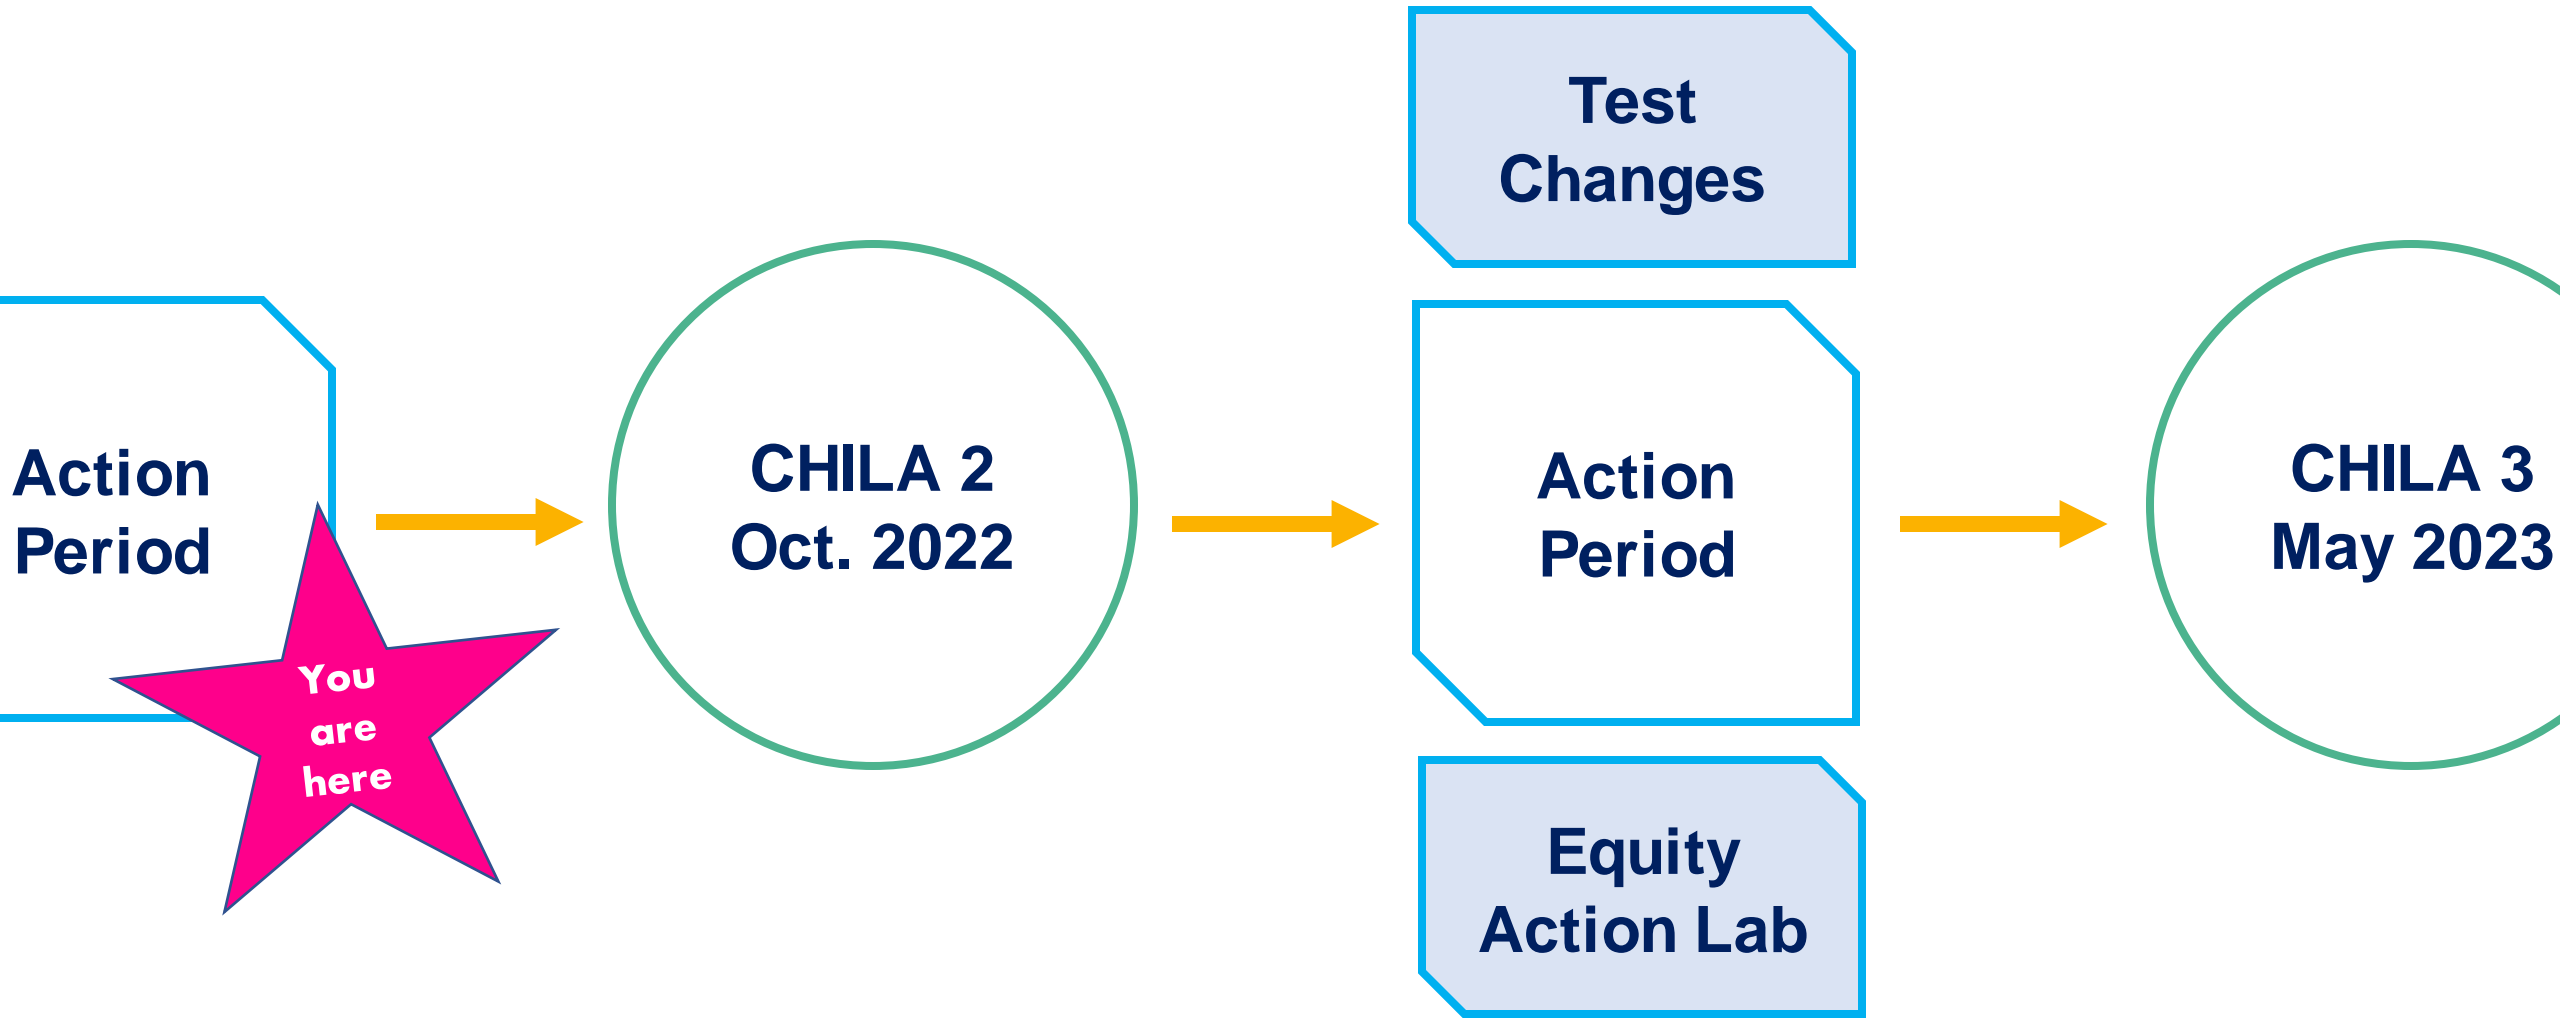

Please introduce yourself in the chat!

Share your organization and [insert non-CHILA-related icebreaker]

It's Nearly CHILA Time

Where We Are in the Process

CHILA Logistics

Doors open at 8:00 AM

Opening session at 9:00 AM sharp

Capture *a-ha!* moments and takeaways for team members who aren't there

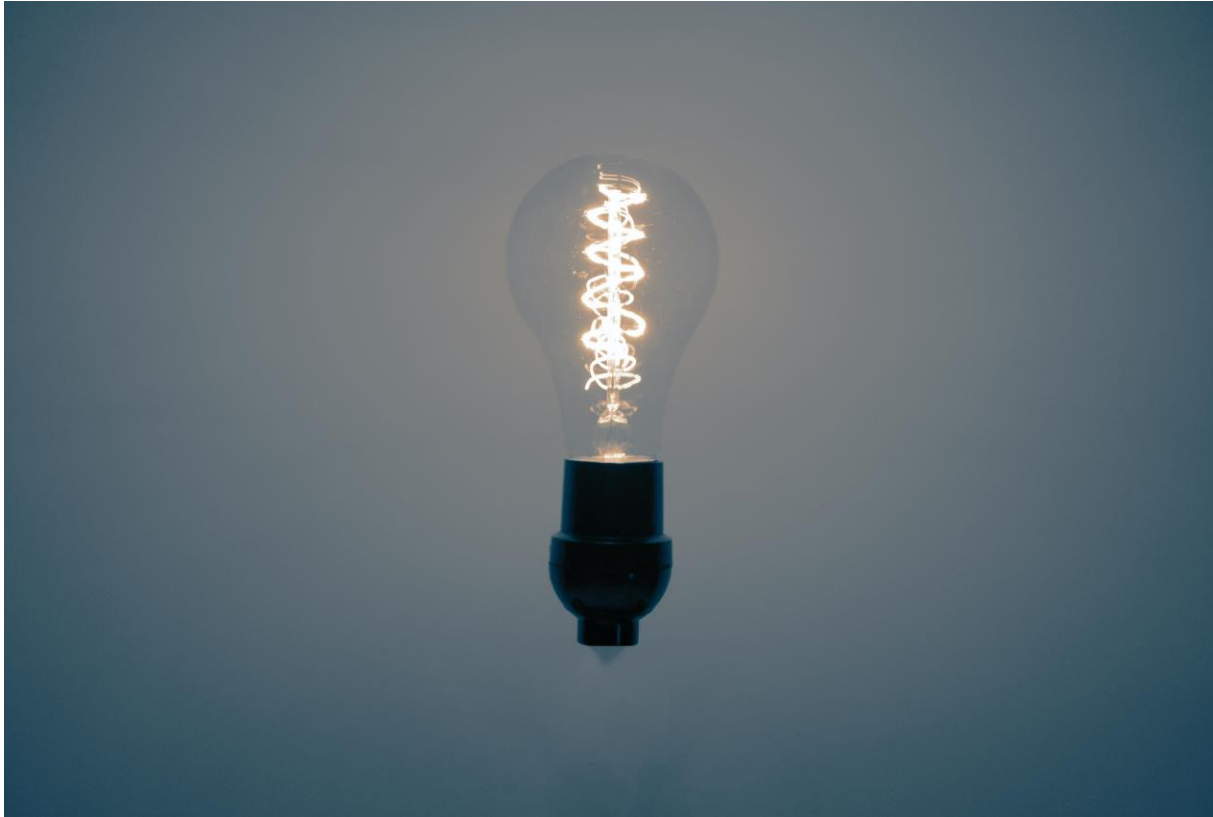

Some Topics We'll Cover

- Design thinking
- Distributing leadership
- Measuring your progress
- Addressing racism
- Running an Equity Action Lab
- How to test a change
- Key sessions from the June CHILA, if you missed it

Optimized for Teams

Build on each other's insights

Move to action together

10-minute breakout conversation:

What's one thing that your team needs to take away from next week's CHILA?

What did you hear?

Next week, let's be on the lookout to achieve each other's needs and goals

Let's Build a Storyboard

Your Team Needs a Storyboard

Storyboards illustrate who your team is and what you're working on

At the CHILA, we'll do activities interacting with each other's storyboards

Don't be left out! Email us your storyboard before the event

Bringing Students Joy through Quality Improvement

Institute for Healthcare Improvement Open School: British Columbia Chapters

Authors: Fatima Al-Roubaiai, BScN, RN, MSN Candidate; Mahan Maazi, BSc Candidate; Neelam Minhas, BSc BCMB, MD 2020 Candidate

The Collaboration

British Columbia Patient Safety & Quality Council and IHI Open School British Columbia Chapters collaborate to offer scholarships that provide students with opportunities to attend a conference related to quality and safety.

Scholarship development through yearly PDSA cycles was completed in order to optimize outreach and increase the number of scholarship applicants. Inspire and allow students to understand how they can use quality improvement in their own projects chapters/day-to-day. Build community and support network early in their career.

BCPSQC & IHI Open Schools Health Care Improvement Scholarship

Aim for 2019/2020

- Increase number of 2019/2020 applicants by 50% by October 15, 2019.
- Improve recipient experience impacted their QI journey long-term.

Planned Tests of Change

- Change idea 1: Increase promotion using social media channels from all chapters
- Change idea 2: Open scholarships to any full-time student in British Columbia, regardless of IHI Open School membership
- Change idea 3: Simplify application process

How to Submit Your Storyboard!

Please submit your storyboard by tomorrow

Email your team's completed slide deck to ophe@ochca.com

Where Your Team Goes From Here

Grant Announcements Expected Friday

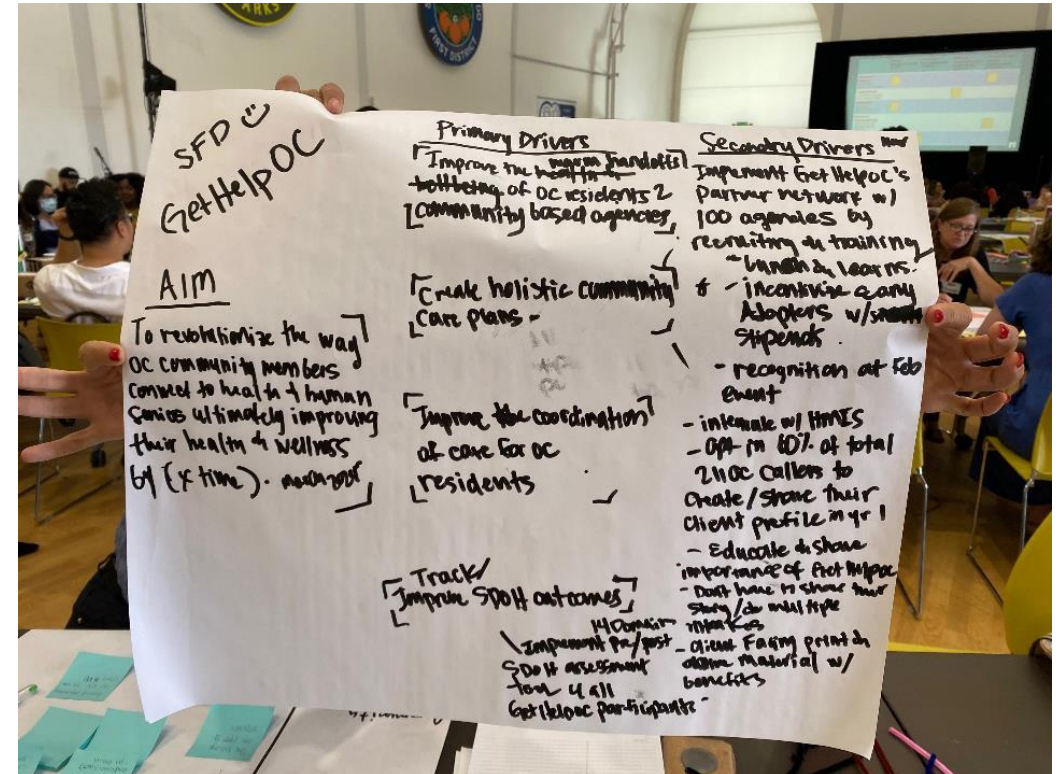

We're ready to celebrate with the teams who are awarded and support the teams who weren't awarded this time

If Your Team Is Awarded a Grant...

Let's hit the ground running!

- Stress test your project design
- Set up measures
- Schedule an equity action lab
- Begin running tests

If Your Team Is **Not** Awarded a Grant...

Let's hit the ground running!

- Stress test your project design
- Set up measures
- Schedule an equity action lab
- Begin running tests

And make some adjustments:

- Look for ways to integrate into your current work
- Check which parts of project are still feasible and high priority

Your Team Has a Place in EiOC

No matter what happens with the grants, you are welcome in this community of improvers—the CHILA, the coaching, the all-teams calls

Thank You!
