Inspiring adventures

Our immersive outdoor experiences are loved by groups of all ages worldwide. Finding the time to have fun together, bond as a team, achieve goals, improve wellbeing and confidence is so worthwhile.

Whether you are flying through the air on a giant zipwire or cheering your team mates on, the best memories are made at Kingswood. For over 35 years, we've created the most fulfilling adventures, and each year more than 175,000 young people and adults visit Kingswood.

Our experiences can help connect uniform and faith groups, build the spirit of sports teams, and reward team members for their hard work. Come for the day or stay for a longer break; our Experience Experts will tailor-make the perfect adventure for your group, and our centre teams will give you the warmest welcome.

Change the game

Here at Kingswood, we do things differently. To enable you to deliver high-quality, educational outcomes and effectively evaluate and evidence these in accordance with Ofsted Inspection Criteria, we have partnered with a range of innovative industry-leading educational providers – including Quidditch UK!

So not only do you get to experience a little bit of Hogwarts magic here at Kingswood, but we will also teach you how to take part in the delivery of educational outcomes during the visit and give you the answers to any questions your OEA or EVC may have - before they even ask.

Make connections

Confidence Tracking

In collaboration with our partners Spike, and with counsel from Dr Alice Jones Bartoli and Professor Justin Dillon, we have created a unique confidence tracker to evaluate and evidence the impact of our residential experience on children's confidence.

Quidditch UK

We are delighted to have partnered with Enrich Education who are approved partners of Quidditch UK, the Harry Potter classic game, which has been proven to enhance inclusivity exponentially and a fantastic way to improve children's physical and wellbeing.

A home away from home

Comfortable beds are essential after a busy day of adventure. New bunkbeds and mattresses are in place or coming soon across selected centres. For an experience closer to nature, our Adventure Lodges and Eco Pods are a must; we've even got nearby yurts and campfire areas for your evening entertainment.

Eating

Our delicious new menus include a whole host of tasty dishes from chicken katsu curry to burritos, and a fresh salad bar. Water is available at all times, and we cater for most dietary requirements – just let us know.

Peace of mind

Safety comes first at Kingswood; we're founding members of the British Activity Providers Association (BAPA) and affiliated to a whole range of governing bodies. We employ safeguarding leaders and every team member undergoes enhanced DBS checks. There are secure boundaries around our centres and regular night patrols as standard. We're also designated COVID-safe by Kaddi.
