

Quality, Environmental, Health and Safety Policy

SOLARCYCLE is committed to provide solutions for the responsible, effective management and removal of solar panels in a manner protecting the environment, worker health and safety, our clients, and our community.

- SOLARCYCLE is committed to meeting our customer requirements.
- SOLARCYCLE is committed to protecting the environment, including prevention of pollution and protection of biodiversity and ecosystems through responsible recycling.
- SOLARCYCLE is committed to provide safe and healthy working conditions for the prevention of injury and ill health and control occupational health and safety risks using the hierarchy of controls to eliminate hazards and reduce EHS risks.
- SOLARCYCLE is committed to worker participation, and where they exist, workers' representatives, in the decision-making processes in the QEHS management system.
- SOLARCYCLE is committed to comply with applicable legal and other requirements relative to the environmental and health and safety aspects of our business and fulfill its compliance obligations.
- SOLARCYCLE is committed to providing a framework for setting and reviewing quality, environmental, health and safety objectives.
- SOLARCYCLE is committed to manage used and end of life electronic equipment based on a reuse, refurbishment, recovery, disposal hierarchy including onsite and downstream materials management throughout the recycling chain.
- SOLARCYCLE is committed to manage Focus Materials throughout the recycling chain to final disposition with due diligence to protect workers, the public and the environment.
- SOLARCYCLE is committed to continual improvement achieved through monitoring of objectives and rigorous evaluation of our management system.
- SOLARCYCLE is committed to communicating and reinforcing this policy throughout our company, to all persons working for or on behalf of the organization as well as, to our customers, our suppliers, and other interested parties.

A handwritten signature in black ink, appearing to read "Suvi SL", is positioned above the signature line.
