

GREAT BALLARD

UNIFORM LIST

We encourage all pupils to wear their Great Ballard uniform and sports kit with pride. Our termly kit checks assist with upholding this ethos and encourage our pupils to take responsibility for their belongings.

Pupils should wear uniform at all times, including on the journey to and from school and on organised excursions. In exceptional circumstances and extremes of weather, pupils will be informed of changes to uniform.

Please take time to read our uniform guidelines, which we hope you will find useful, and to share these with your child. These guidelines will be used by our staff to help ensure that our pupils look smart and well presented at all times.

In all decisions relating to uniform, the child's welfare comes first.

Requests for variations in school uniform

Great Ballard School is a Christian, non-denominational school that welcomes pupils of all faiths and none. Parents should be aware that all pupils at Great Ballard School are required to wear a uniform. The Head will consider written requests from parents for variations in uniform on religious or medical grounds that are consistent with the school's ethos and its policy on health and safety. The Head may take expert advice, and arrange to meet parents to discuss the implications of such a request.

NAMING

It is essential that all items are clearly named with embroidered name tapes bearing your child's name. Large nametapes are available from the Fosters online shop and our Senior Sports Kit will be embroidered with initials by the supplier. Please see their websites for full details.

Your help in ensuring all items are easily identifiable by staff, so that they can be reunited with their owner, is greatly appreciated. Please can:

- Games bags and school bags be named on the outside;
- Shoes, trainers and wellingtons have name labels or be marked with indelible pen;
- Sports kit be named in large labels on the outside.
