Dear Mr Evans

**Great Ballard School**

I refer to the inspection by the Independent Schools Inspectorate that took place on 14 May 2019.

I am pleased to note that the school has met all of the regulatory standards that were checked and I confirm that there is no further action required of the school by this Department.

The ISI will inspect your school again in due course according to their regular cycle of inspections. In the meantime, I would like to thank you for your help in this matter.

Yours sincerely
