OPTIONAL ACTIVITY 1

SAY: It's great to see you today! Let's make faces to help share about our week!

Make a face that describes your week.

If your week was fun, make a happy face.

If your week was sad, make a sad face.

If your week was silly, make a funny face.

As you make your face, we'll look at you and try to guess which face you're making. Then you can tell us about your week!

*If not completing the video + activity, ask an ice breaker question like "What was the best part of your week?"
