

#### Advance Directive Kit

- **Sample Advance Directive Form & Instructions** (simple and easy to understand)
- **Dr. John Kilner's Article** "Don't Wait to Make Your End-of-Life Wishes Known"
- **BioBasics Booklet** *Basic Questions on End of Life Decisions*

This kit is very helpful for answering many questions about end-of-life decisions, and it offers a way for you and your loved ones to prepare for the possibility of becoming unable to make critical medical decisions on your own.

Code# P009 M price: \$9.60 NM price: \$12

#### Does God Need Our Help? Cloning, Assisted Suicide, & Other Challenges in Bioethics

John F. Kilner, C. Ben Mitchell

This book discusses critical bedside and biotech challenges in an easily readable way, informs readers of the newest advances in biotechnology, and clearly states the biblical principles by which Christians can evaluate biotechnologies and health care. It also offers discussion questions after each chapter. 233 pages.
