## ***THE OCEANSIDE HIGH SCHOOL FOUNDATION 112 YEARS OF PIRATE PRIDE***

The Oceanside High School Foundation, is delighted to host the thirteenth annual Hall of Fame ceremony in our fabulous Performing Arts Center as we celebrate, not only these new inductees, but the students and staff of OHS.

Now in its thirteenth year, the OHS Foundation Hall of Fame is proud to recognize and display the accomplishments of over ninety former Pirates, including the seven newest honorees representing the Class of 2018. Today, the OHS Foundation/Alumni Association joins the school and community in acknowledging the Hall of Fame's newest members.

The Oceanside High School Foundation was originally formed in 1986 and continues to sponsor the OHS Hall of Fame and serve as a liaison and database for alumni and their respective classes. Working on behalf of the students of OHS, the Foundation helps provide funds and support for student scholarships, faculty grants, capital improvements, class reunions and other school-related events as well as maintain the school's archives located in the OHS library.

With its 112-year history, Oceanside High School has long been considered a focal point of the North County and our coastal community. Throughout its past, OHS has developed, and continues to maintain, an outstanding reputation for producing graduates who have made tremendous contributions to society.

Through the work of the Foundation, it is our goal to continue honoring all OHS graduates worthy of Hall of Fame consideration. On behalf of the Foundation, we thank you for taking part in today's celebration.

For more information, to make contributions, or to make nominations to the Hall of Fame, go to [www.ohsfoundation.org](http://www.ohsfoundation.org). The mailing address for the Foundation is: P.O. Box 58, Oceanside, CA 92049-0058.

# Dr. Faustino Ramos, MD

*Class of 1992*

The son of Mexican immigrants, Faustino (Tino) Ramos was born and raised in Southern California along with two younger brothers. He graduated Valedictorian from Oceanside High School in 1992. He attended Harvard where he elected a pre-med track, studied biochemistry and graduated in 1996. He received his medical degree from Cornell University Medical College in New York City in 2000. He went on to complete his general pediatrics residency, chief residency and a year of research in the hematology department at Children's Hospital of Orange County. Then he further specialized in cardiology by completing

his pediatric cardiology fellowship at the University of Texas Southwestern/Children's Medical Center Dallas in 2008. Board certified in pediatric cardiology, his clinical interests include general pediatric cardiology and fetal echocardiography screening for congenital heart disease. Speaking fluent Spanish, he treats patients from pre-birth to teenage. His passion is seeing families at his office. As a general pediatric cardiologist, he treats a variety of problems ranging from murmurs, chest pain and palpitations to syncope, hypertension, and hypercholesterolemia. Among these general symptoms, he will find those that have arrhythmias or structural heart defects which require intervention. Treating children with congenital heart defects is especially rewarding. Tino enjoys the relationships and trust developed with families as he manages the care of their children pre- and post-operatively in his office. There is nothing more rewarding, satisfying and validating than to help a child born with a heart defect be able to have a normal, healthy life.

**Rosanne  
Allen  
Froeborg**  
*Class of 1968*

I attended OHS from 1965-1968. I have great memories: activities, academics, supportive teachers and lifelong friendships. Due to family commitments, I deferred college for 3 years and graduated summa cum laude from Long Beach State University with Bachelors and Masters Degrees in Criminal Justice (1976 and 1978). I worked as a peace officer for the State Department of Consumer Affairs for 7 years specializing in the investigation of hospital personnel diverting narcotics. While working full time, I attended Western State University School of Law with the help of a scholarship for members of law enforcement, and was on Law Review. After graduating in May 1985, I was hired in early 1986 as a Deputy District Attorney with the Orange County District Attorney's Office where I remained until I retired. I loved trial work that earned me an assignment on the Sexual Assault Unit (SAU) where I prosecuted dozens of cases against rapists and child molesters; many resulting in life sentences. In 1999, I was promoted to Assistant District Attorney, overseeing DA operations in Newport Beach, and returning to the SAU in 2001 as the supervisor. I created innovative programs and served on committees dedicated to the protection of child victims. When I retired in 2014, I was the longest tenured and first female to supervise the SAU. I was blessed with a wonderful career, but I appreciate most my family and friends who stood by me during the ups and downs of life.

# BE A GUIDING LIGHT DONATE A LIGHT!

Dear Community Member,

With the completion of the Oceanside High School Performing Arts Center, we as a community have an opportunity to encourage the creation, appreciation, and understanding of the arts. This new facility will offer world class entertainment, educational outreach, and community connection in a state-of-the-art setting.

With this new facility comes the need for the supplies and equipment required for daily operations. We need your support so that we can furnish the facility with the proper lighting fixtures. This will provide our students and community members the resources they need to create the next generation of performances, events, and activities.

How you can help? Donate a light! Our partners at 4Wall Entertainment have streamlined the process for us. Simply fill out the donation form bellow (and one page 21) to authorize your \$350.00 purchase. 4Wall will then place the order and ship the light to our Performing Arts Center. That's it! To recognize your donation, we will place your name on a seat plaque in our auditorium, immortalizing your support for years to come.

Thank you for consideration of this request for support. We look forward to enriching the Oceanside community through the arts together.

**WE ADDED TO  
HIS HARDWARE.**

Willie Buchanon, the 1972 NFL Rookie of the Year and three-time Pro Bowl player, knows what it takes to bring opponents to their knees. But when a lifetime of athletic training began to take its toll on Willie's joints, he turned to Tri-City Medical Center to tackle the pain.

Double knee replacement isn't right for everyone. But Tri-City's comprehensive orthopedic services helped put this seasoned athlete back in commission at his old alma mater – Oceanside High School. Welcome back, Coach.

**TOTAL ORTHOPAEDIC CARE. IT'S ALL RIGHT HERE IN NORTH COUNTY.**

**Tri-City Medical Center's Orthopaedic & Spine Institute is proud to offer:**

- Mazor Robotics Renaissance™ Guidance System used to correct spinal deformities and injuries
- Customized Total & Partial Joint Replacement of Knee, Hip & Shoulder
- Hip Preservation Program - providing advanced surgical options for conditions such as Femoral-Acetabular Impingement (FAI) & Hip Dysplasia
- Computer Guided Anterior Hip Surgery for total hip replacement
