

ACORUS

calamus
'Variegatus'

Variegated Sweet Flag

H: 12" 30cm Zone: 6
Creamy vertical stripes on sword-like foliage. Great pond accent.

gramineus
'Oborozuki'

Golden Japanese Sweet Flag

H: 10-12" 25-30cm Zone: 4
Dramatically variegated, sword-like gold and green striped foliage on upright plant.

gramineus Variegata

Dwarf Variegated Japanese Sweet Flag

H: 6-12" 15-30cm Zone: 5
Dramatically variegated, deep green sword-like foliage.

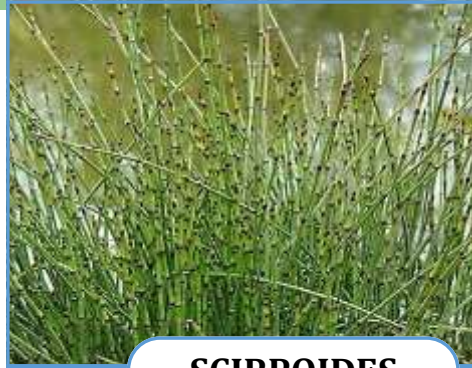

EQUISETUM

JAPONICUM

Barred Horsetail

H: 39-60" Zone: 3a
Dark green segmented stalks, similar to bamboo.

SCIRPOIDES

Dwarf Horsetail

H: 6-9" Zone: 3a
Dark green stalks with small brown cones. Very compact and clumping.

Iris 'Black Gamecock'

Louisiana Iris

Massive, dark purple flowers with yellow signals and velvety hoods hover above tall, dark green stems and narrow, sword-like foliage. Vigorous grower that prefers moist soils and blooms from late spring into early summer.

Zones: **3** H: 36" W: 24"
H: 90cm W: 60cm

'BLUE FLAG'

Blue Flag

H: 24-30" 60-75cm Zone 2

Produces beautiful violet-blue flowers above upright, blue-green foliage.

Flowering: July

'YELLOW FLAG'

Yellow Flag

H: 36-60" 90-150cm Zone: 2a

Large leaved, vigorous blooms of golden yellow. Aggressive Plant.

Flowering: June-August

JUNCUS

'GOLD STRIKE'

Common Rush

H: 24-36" 60-90cm

Zone: 5

Distinctive gold stripe runs full length of each blade giving the plant a strong vertical emphasis.

INFLEXUS

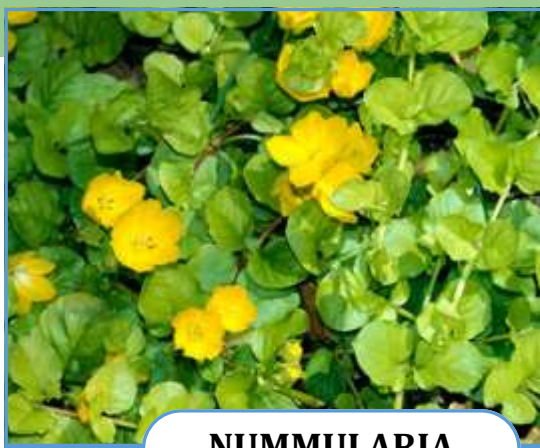

Hard Blue Rush

H: 12-36" 30-90cm

Zone: 5

Bluish tinged stems that make a nice accent for any water feature.

LYSIMACHIA

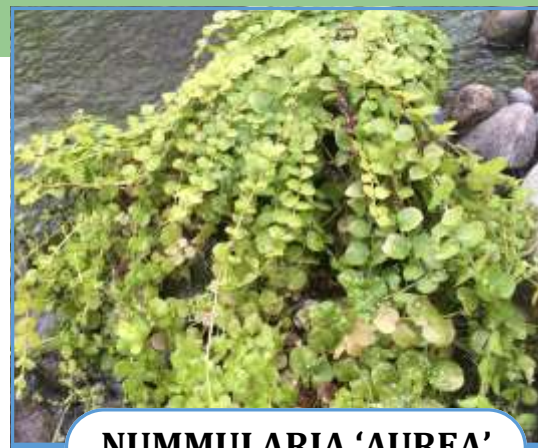

NUMMULARIA

Creeping Jenny

H: 8" 20cm

Zone: 2

Low-growing, rampant, evergreen groundcover with rounded, golden yellow leaves. In summer, produces yellow, cup shaped flowers.

NUMMULARIA 'AUREA'

Golden Creeping Jenny

H: 8" 20cm

Zone: 2

Fast spreading rounded leaves with a golden colour.

Water Lily

H: 12" 30cm

Zone: 3—submerged 2-3' in pond

Water lilies are not only decorative, but also provide useful shade which helps reduce the growth of algae in ponds.

'Attraction' Red Water Lily

Flowering Period: May-September

'FIRE CREST'

Flowering Period: June-August

LILACEA

Flowering Period: June-August

LUTEA

Flowering Period: June-September

'MADAME WILFRON GONNERE'

Flowering Period: July-August

'MARLIACEA CHROMATELLA'

Flowering Period: June-August

'MARLIACEA ALBIDA'

Flowering Period: June-August

'PYGMAEA HELVOLA'

Flowering Period: June-August

'PYGMAEA RUBRA'

Flowering Period: June-August

'SULTAN RED'

Flowering Period: June-August

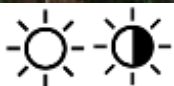

'SUNRISE'

Flowering Period: June-September

Ranunculus repens
Creeping Buttercup

H: 18-24" 45-60cm

Zone: 2

Dense ground cover with foliage and flowers that are ornamentally attractive.

Ranunculus 'Buttered Popcorn'
Variegated Buttercup

Zone: 3a

Maple like foliage emerges with a golden centre and chartreuse edges.

Scirpus 'Zebrinus'
Zebra Rush

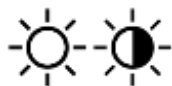

H: 36-60" 12-24cm

Zone: 5a

A variegated rush with stems horizontally banded white. Very decorative.

Eichhornia crassipes
Water Hyacinth

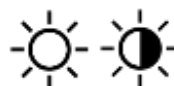

H: 6" 15cm

Zone: 10

Dark leaves form a clump that floats on the surface of the water. Soft purple flowers. Potentially invasive.

Pistia stratiotes
Water Lettuce

H: 6" 15cm

Zone: 10

Lettuce like clumps or corrugated foliage float on the surface of the water. Aggressive grower.
