

IBERIS

Iberis sempervirens

Evergreen Candytuft

Spreading, woody, evergreen perennial with oblong, glossy dark green foliage. In late spring pure white blossoms emerge giving an effect of a blanket of snow.

Zone: **2**

H: 8" W: 32"

H:20cm W:80cm

IRIS

Iris 'Black Gamecock'

Louisiana Iris

Massive, dark purple flowers with yellow signals and velvety hoods hover above tall, dark green stems and narrow, sword-like foliage. Vigorous grower that prefers moist soils and blooms from late spring into early summer.

Zones: **3** H: 36" W: 24"

H: 90cm W: 60cm

IRIS

Iris 'Blue Flag'

Northern Blue Flag

Summer blooms consist of 3 large, drooping purplish-blue petals with yellow and white signals veined with blue. Light green, sword-like foliage. Prefers moist, boggy areas and showcases unique seed pods in fall.

Zones: **4** H: 36" W: 24"

H: 90cm W: 60cm

Iris ensata 'Jodlesong'

Japanese Iris

Huge, orchid-like flowers with fuchsia petals are decorated with white and yellow centers. Blooms in late summer.

Zone: **4** H: 24" W: 24"

H: 60cm W: 60cm

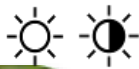

Iris ensata 'Royal Banner'

Japanese Iris

Huge, orchid-like flowers with dark purple petals and yellow centers. Prefers moist soils like on the border of a pond. Blooms in late spring.

Zone: 3 H: 36" W: 24"

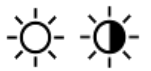

Iris ensata 'Variegata'

Japanese Iris

Stunning variegated leaves of green and cream grow tall and sword-like and boast a beautiful contrast of purplish-mauve blooms in summer.

Zone: 3 H: 24" W: 24"

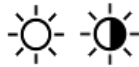

Iris pseudacorus

Yellow Flag

Large, bright yellow blooms with slight brown veining appear in summer and grow atop clumps of deep green, long, narrow foliage.

Zone: 4 H: 36" W: 24"

H: 91cm W: 60cm

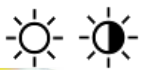

Iris pumila 'Light Blue'

Dwarf Bearded Iris

Soft, pastel blue petals with white beards bloom in spring over sword-like foliage. Prefers a warm spot with excellent drainage.

Zone: 2 H: 15" W: 14"

H: 38cm W: 35cm

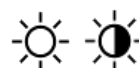

Iris pumila 'Orange Caper'

Dwarf Bearded Iris

Deep yellow flower with orange beards and veining on the falls in the spring. Prefers a warm spot with excellent drainage.

Zone: 4 H: 10" W: 16"

H: 25cm W: 40cm

Iris pumila 'Purple'

Dwarf Bearded Iris

Deep purple flowers with velvety falls and bluish beards bloom on upright stems amid sword-like foliage in spring.

Zone: 4a H: 14" W: 16"

H: 35cm W: 40cm

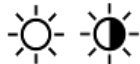

Iris sibirica 'Blue King'
Siberian Iris

Lilac-blue petals with dark blue veining and yellow throats grow tall above bright green sword-like foliage. Blooms in early summer.

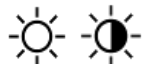

Zone: 1 H: 24" W: 24"
 H: 60cm W: 60cm

Iris sibirica 'Caesar's Brother'
Siberian Iris

Deep blue flowers with painted streaks of yellow and white grow tall above bright green sword-like foliage. Blooms in early summer.

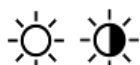

Zone: 2 H: 40" W: 24"
 H: 100cm W: 60cm

Iris sibirica 'Papillon Blue'
Siberian Iris

Appearing in spring, large, lavender-blue blooms with painted centers of white and gold sit atop sturdy stems and sword-like foliage. Excellent at the waterside or in moist soils.

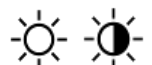

Zone: 2 H: 30" W: 24"
 H: 75cm W: 60cm

Iris sibirica 'White Swirl'
Siberian Iris

An award winning Iris. Clumps of bright green, sword-like leaves are graced with pure white blooms with yellow throats.

Zone: 4a H: 24" W: 18"
 H: 60cm W: 45cm

Jasione perennis

Sheep's Bit

Dense cushions of large, starry, lavender blooms that flower all summer long sit atop slender, dark green stems and pointed, broad evergreen foliage. Excellent in a rock garden.

Zone: **4** H: 12" W: 8" ☀
 H:30cm W:20cm

Kniphofia uvaria 'Starks

Early Hybrid'

Torch Lily

Stately perennial plant with gray-green evergreen foliage and stiff, bright red to yellow 'pokers'. Bloom begins earlier in summer than other varieties. Deadhead to prolong bloom period.

Zone: **5** H: 36-48" W: 22" ☀
 H:90-120cm W:55cm

Lamiastrum galeobdolon Variegatum

Yellow Archangel

Very fast spreading mat of semi-evergreen, green and silver striped foliage. Delicate, hooded pastel yellow flowers bloom in spring. Excellent as a groundcover or underneath trees.

Zone: **2** H: 18" W: 24" ☀ ☾
 H:45cm W:60cm

LAMIUM

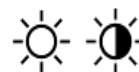

Lamium mac. 'Purple Dragon'

Dead Nettle

Bright, silvery white leaves with medium green margins are accented by spikes of rich purple flowers in spring to summer. A moderate to fast grower, this plant makes a great groundcover in partial shade gardens.

Zone: 3 H: 8" W: 18"
H: 20cm W: 45cm

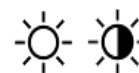

Lamium mac. 'White Nancy'

Spotted Nettle

Handsome silver leaves surrounded by green margins add colour contrast to the landscape. Showy white flowers highlight the foliage in spring.

Zone: 2 H: 8" W: 20"
H: 20cm W: 50cm

LAVENDULA

Lavandula angustifolia
'Hidcote Blue'
English Lavender

Deep purple flower spikes above mounds of gray-green foliage provide great fragrance in summer.

Zone: **5** H: 36" W: 22"
H:90cm W:55cm

Lavandula angustifolia
'Munstead'
English Lavender

Classic, deep blue summer flower spikes with fragrant, greyish-green leaves. Great as cut or dried flower.

Zone: **4** H: 36" W: 22"
H:90cm W:55cm

Lavandula angustifolia
'Rosea'
English Lavender

Shell-pink spikes of fragrant blooms appear on this large, shrub-like plant in late spring and summer. Excellent as a cut or dried flower.

Zone: **5** H: 36" W: 36"
H:90cm W:90cm

Lavandula x intermedia
'Phenomenal Niko'
English Lavender

Massive, shrub-like plant with bright green foliage and tall stalks covered by fragrant deep purple flowers in summer.

Zone: **5** H: 30" W: 48"
H:75cm W:120cm

LEONTOPODIUM

Leontopodium alpinum
Edelweiss

Well-known wild mountain flower, originating in the Swiss Alps. Plants form a short clump of greyish-green foliage, with clusters of woolly white flowers in early summer.

Zones: **2** H: 10" W: 12"
H:25cm W:30cm

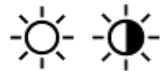

LEUCANTHEMUM

Leucanthemum max. 'Becky'
Shasta Daisy

Tall variety that sports large, single white daisies with round, yellow centers. Flowers bloom in summer atop tall stems covered in deep green, shiny, pointed leaves.

Zone: **3** H: 36" W: 22"
H: 90cm W: 55cm

Leucanthemum x superbum
'Real Glory'
Shasta Daisy

Pure white, layered blooms hover atop slender dark green stalks from summer through to fall. Excellent cut flower.

Zone: **5b** H: 23" W: 12"
H: 60cm W: 30cm

Leucanthemum x superbum
'Alaska'
Shasta Daisy

Dark green leaves and stems are topped by a single white daisy with a yellow center blooming from summer to fall.

Zone: **4a** H: 36" W: 22"
H: 90cm W: 55cm

Leucanthemum 'Real Neat Improved'
Shasta Daisy

Well branched, with unique flower forms. Attracts pollinators.

Zone: **4a** H: 32" W: 24"
H: 80cm W: 60cm

LEUCANTHEMUM

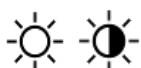

Leucanthemum x superbum 'Real Sunbeam'
Shasta Daisy

Dark green sturdy stems hold yellow, sunbeam coloured daisies that bloom from summer to fall. Prolific bloomer.

Zone: **4a** H: 18" W: 18"

H: 45cm W: 45cm

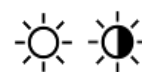

Leucanthemum x superbum 'Spellbox Lumos'
Shasta Daisy

Fade-resistant true yellow flowers. Attracts pollinators.

Zone: **4a** H: 18" W: 18"

H: 45cm W: 45cm

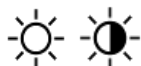

Leucanthemum x superbum 'Whoops-A-Daisy'
Shasta Daisy

Compact variety that forms a dense, rounded mound of dark green leaves. White flowers with gold centres. Attracts pollinators.

Zone: **5a** H: 15" W: 22"

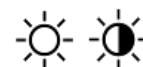

H: 38cm W: 55cm

Leucanthemum x superbum 'Victorian Secret'
Shasta Daisy

Gorgeous ruffled, double bloom, pure-white flowers with pale yellow centers bloom in summer in contrast with dark green, variegated leaves.

Zone: **6a** H: 16" W: 20"

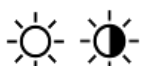

Leucanthemum x superbum 'Whitecap'
Shasta Daisy

Compact, sturdy variety with large white blooms on dark green, grassy foliage. Blooms from spring into summer.

Zone: **5a** H: 14" W: 14"

H: 36cm W: 36cm

Leucanthemum x superbum 'White Magic'
Shasta Daisy

Large semi-double white flowers. Extra-long blooming time. Attracts pollinators.

Zone: **5a** H: 24" W: 18"

H: 60cm W: 45cm

LIATRIS

Liatris spicata

Gayfeather

Produces unique, tall, stiff, purple bottle-brush flowers above clumps of narrow, grass-like, green foliage from summer to fall. Excellent for attracting pollinators and as a cut flower.

Zone: **2** H: 30" W: 18"
H:75cm W:45cm

Liatris spicata 'Alba'

White Gayfeather

Tall spikes of stiff, pure-white, bottle-brush flowers grow over clumps of narrow, grass-like, green foliage from summer to fall. Excellent for attracting pollinators and as a cut flower.

Zone: **2** H: 36" W: 18"
H:90cm W:45cm

LIGULARIA

Ligularia dentata
Bigleaf Ligularia

Large, dark green, velvety foliage with purple undersides and slightly scalloped edges. Golden yellow, daisy-like flowers bloom in summer.

Zone: **3** H: 36" W: 24"
H: 90cm W: 60cm

Ligularia dentata 'Britt Marie Crawford'
Leopard Plant

Known for its glossy chocolate-maroon foliage that matures to deep green with clusters of large, yellow-orange flowers in summer.

Zone: **3** H: 48" W: 24"
H: 120cm W: 60cm

Ligularia japonica
Chinese Dragon

Large, glossy, deeply divided green foliage with a tropical, lacy look. A great showy plant with 5' tall stems sporting bright yellow, drooping blooms in summer.

Zone: **4** H: 74" W: 28"
H: 180cm W: 70cm

Ligularia przewalskii
Ligularia

Massive, broad leaved and deep green foliage with spikes of airy, golden yellow blooms appearing in summer. Excellent in the middle of a shady garden or around a pond.

Zone: **4** H: 60" W: 40"
H: 150cm W: 100cm

Ligularia x 'Laternchen'
Little Lantern Dwarf Ligularia

A dwarf, compact variety with mounds of dark green, scalloped foliage and sturdy stems topped with large, conical heads of bright yellow flowers in summer.

Zone: **4** H: 26" W: 24"
H: 65cm W: 60cm

LILLIUM

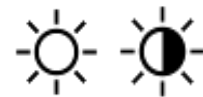

Lilium 'Buzz Buzzer'

Asiatic Lily

Brilliant crimson-pink flowers edged in white with deep red stamens bloom in summer on compact green foliage.

Zone: **3** H: 18" W: 8"

H:45cm W:20cm

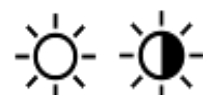

Lilium 'Golden Matrix'

Asiatic Lily

Yellow trumpet-shaped flowers covered with tiny brown speckles bloom in summer over grassy green foliage.

Zone: **3** H: 18" W: 16"

H:45cm W:40cm

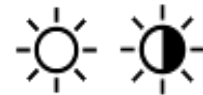

LILIUM

Lilium x 'Orange Matrix'
Dwarf Asiatic Lily

Compact clumps of grassy foliage topped with bold, orange, trumpet-shaped, freckled flowers in early summer.

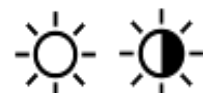

Zone: **3** H: 18" W: 10"
H: 45cm W: 25cm

Lilium x 'Rozalynn'
Dwarf Asiatic Lily

Compact clumps of grassy foliage with clusters of large pale pink summer blooms with yellow throats.

Zone: **3** H: 18" W: 12"
H: 45cm W: 30cm

LINUM

Linum flavum 'Compactum'
Dwarf Golden Flax

Bright green, lance-shaped leaves
in a compact mound covered with
masses of cheery yellow star-
shaped flowers in late spring.

Zone: **4** H: 12" W: 16"
H:30cm W:40cm

LOBELIA

Lobelia fulgens 'Queen Victoria'
Cardinal Flower

Tall, scarlet stems are covered in small pointed
leaves and bright red flowers from midsummer
on. Prefers moist soils.

Zone: **3** H: 36" W: 18"
H:91cm W:45cm

Lobelia siphilitica 'Blue'
Cardinal Flower

Easy to grow variety bearing tall spikes of dark-
blue blooms from late summer to fall atop dark-
green foliage. Prefers moist soils and is more per-
ennial in habit than other forms.

Zone: **4** H: 24" W: 22"
H:60cm W:55cm

LUPINUS

Lupinus polyphyllus 'Woodfield Hybrids'

Dwarf Lupine

Tightly packed flowerstalks that rise from bushy mounds of soft green leaves.

Zone: **3a** H: 36" W: 18"
H: 90cm W: 45cm

Lupinus 'Russell Hybrid Mix'

Lupine

Large red, yellow and pink spikes bloom during the summer. Prefers cooler locations and attracts hummingbirds and butterflies.

Zone: **3** H: 60" W: 18"
H: 150cm W: 45cm

LYCHNIS

Lychnis flos-cuculi nana
'Peggy'

Flower of Jove

Bright, rosy-pink, clusters of flowers on slender, upright stems above grey, felt-like foliage. Compact variety best used in the rock garden or in containers. Flowers appear from May to June.

Zone: **3** H: 10" W: 12"
H:25cm W:30cm

Lychnis viscaria 'Alpina'
Catchfly

Clusters of rich magenta, frilly flowers bloom in spring atop medium green lanceolate foliage. Compact habit great for rock gardens. Attracts pollinators.

Zone: **1** H: 15" W: 8"
H:38cm W:20cm

Lychnis viscaria splendens
'Firebird'

Catchfly

Clumps of green, grass-like foliage play host to tall stems of fire red flowers from May to June. Great for growing in a mixed perennial bed.

Zone: **3** H: 24" W: 16"
H:60cm W:40cm

Lychnis x arkwrightii 'Orange Dwarf'
Catchfly

Unique variety that forms a low, bushy mound of pointed, mahogany foliage with a contrast of orangey-red flower clusters that bloom in early summer.

Zone: **6** H: 8" W: 12"
H:20cm W:30cm

LYSIMACHIA

Lysimachia nummularia
Creeping Jenny

Low growing mat of dark green, rounded leaves adorned with golden yellow flowers in summer.

Excellent for cascading over walls.

Zone: **2**

H: 8" W: 22"

H:20cm W:55cm

Lysimachia nummularia 'Aurea'
Golden Creeping Jenny

Bright golden-yellow, rounded leaves in a low growing mat. Less spreading than dark green variety. Yellow flowers appear in late spring to summer.

Zone: **2**

H: 8" W: 18"

H:20cm W:45cm

MALVA

Malva moschata 'Rosea'
Pink Musk Mallow

Erect and bushy form of tall stems and medium green, finely divided foliage covered by clusters of satiny pink five petalled flowers that bloom from June to August. Blooms are known for having a sweet, musky fragrance.

Zone: **2**

H: 36" W: 24"

H:90cm W:60cm

MONARDA

Monarda didyma 'Balmy Lilac'

Dwarf Bee Balm

Compact selection of large, shaggy, lilac flowers in clusters above fragrant, pointed foliage. Flowers bloom in late spring to summer.

Zones: **3** H: 12" W: 10"
  H: 30cm W: 25cm

Monarda didyma 'Balmy Pink'

Dwarf Bee Balm

Compact selection of large, shaggy, pink flowers in clusters above fragrant, pointed foliage. Flowers bloom in late spring to summer.

Zones: **3** H: 12" W: 10"
  H: 30cm W: 25cm

Monarda didyma 'Balmy Purple'

Dwarf Bee Balm

Compact selection of large, shaggy, purple flowers above fragrant, pointed foliage. Flowers bloom in late spring to summer and are excellent pollinators.

Zones: **53** H: 12" W: 10"
  H: 30cm W: 25cm

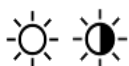

Monarda didyma 'Balmy Rose'

Dwarf Bee Balm

Compact selection of large, shaggy, rose flowers above fragrant, pointed foliage. Flowers bloom in late spring to summer and are excellent pollinators.

Zones: **3** H: 12" W: 10"
H: 30cm W: 25cm

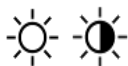

Monarda didyma 'Blue Stocking'

Bee Balm

Compact, fragrant, pointed foliage and violet, shaggy flowers that bloom from summer to fall and attract pollinators.

Zone: **3** H: 36" W: 28"
H: 90cm W: 70cm

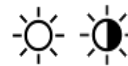

Monarda 'Bubblegum Blast'

Bee Balm

Vigorous, mid-sized variety with fragrant foliage and shaggy, hot pink blooms that flower in summer and attract pollinators.

Zone: **3** H: 24" W: 32"
H: 60cm W: 80cm

MONARDA

Monarda d. 'Cambridge Scarlet'
Bee Balm

Compact, with fragrant, bronze tinged foliage and red shaggy flowers that bloom in summer attracting pollinators.

Zone: **3** H: 36" W: 28"
H: 90cm W: 70cm ☀️ 🌙

Monarda d. 'Fireball'
Bee Balm

Compact, with large, deep-red, shaggy flowers that bloom in mid-summer over bright green, fragrant foliage.

Zone: **5a** H: 26" W: 22"
H: 65cm W: 55cm ☀️ 🌙

Monarda didyma 'Jacob Kline'
Bee Balm

Taller variety with large, bright red, shaggy flowers over bright green fragrant foliage in summer.

Zone: **3** H: 47" W: 28"
H: 119cm W: 70cm ☀️ 🌙

Monarda d. 'Lilac Lollipop'
Bee Balm

Vigorous mid-sized selection with brilliant pink shaggy flower heads on fragrant foliage. Good mildew resistance.

Zone: **3** H: 19" W: 16"
H: 48cm W: 41cm ☀️ 🌙

Monarda didyma 'Panorama'
Bee Balm

Brilliant mix of red, white and pink on tall stems blooming in mid-summer above fragrant foliage.

Zone: **3** H: 36" W: 24"
H: 90cm W: 60cm ☀️ 🌙

Monarda Grape Gumball
Bee Balm

The Sugar Buzz series of Bee Balm is comprised of upright, mounded plants that form a neat dome of colour in summer.

Zone: **3** H: 24" W: 32"
H: 60cm W: 80cm ☀️ 🌙

Monarda 'Pink Lace'
Bee Balm

Compact, tidy mounds of aromatic foliage are topped with lovely shaggy pink flowers in summer.

Zone: **4a** H: 12" W: 18"
H: 30cm W: 45cm ☀️ 🌙

Monarda 'Purple Lace'
Bee Balm

Compact, tidy mounds of aromatic foliage are topped with lovely shaggy purple flowers in summer.

Zone: **3** H: 16" W: 18"
H: 40cm W: 45cm ☀️ 🌙

Monarda d. 'Raspberry Wine'
Bee Balm

Tall variety with large, wine-red, shaggy flowers that bloom in summer over bright green, fragrant foliage.

Zone: **2** H: 47" W: 28"
H: 120cm W: 70cm ☀️ 🌙

Monarda 'Pink Frosting' PP29548

Bee Balm

The Sugar Buzz series of Bee Balm is comprised of upright, mounded plants that form a neat dome of colour in summer. Attracts pollinators

Zone: 3 H: 16" W: 18"
H: 40cm W: 45cm

Nepeta faassenii 'Purrsian Blue'

Catmint

Compact variety of low, spreading, clumps of grey-green fragrant foliage, with upright spikes of lavender flowers blooming on and off from spring to fall.

Zone: 3 H: 18" W: 34"
H: 45cm W: 85cm

Nepeta nervosa 'Blue Carpet'

Catmint

Dense clumps of delicate, grey-green fragrant foliage, with thick stems bearing spikes of bluish-purple flowers in summer. Excellent as cut flowers and loved by pollinators.

Zone: 4 H: 12" W: 22"
H: 30cm W: 55cm

Oenothera tetragona 'Fireworks'

Evening Primrose

Compact variety of deep bronzy-green foliage with red stems that give rise to bright yellow, crepe-like flowers in summer. Burgundy rosette seed pods replace flowers in winter.

Zone: 3 H: 18" W: 18"
H: 45cm W: 45cm

PACHYSANDRA

Pachysandra terminalis

Japanese Spurge

Evergreen groundcover, with glossy, dark green leaves and clusters of white flowers tinged with pink in spring. Excellent under shade trees.

Zones: **3**

H: 8" W: 12"

H:20cm W:30cm

Pachysandra terminalis

'Variegata'

Variegated Japanese Spurge

Evergreen groundcover with glossy, dark green leaves with white edging and clusters of white flowers in spring. Excellent under shade trees.

Zones: **2**

H: 8" W: 12"

H:20cm W:30cm

PAEONIA

Paeonia lac. 'Karl Rosenfield'

Peony

Large, cherry-red, double flowers bloom in late spring on glossy, dark green, bushy foliage. Fragrant.

Zone: **2** H: 24" W: 36"
H:60cm W:90cm

Paeonia lac. 'Sarah Bernhardt'

Double Peony

Large, rose-pink, ruffled, double flowers bloom in late spring on dark green, bushy foliage. Very fragrant.

Zone: **2** H:24" W:34"
H:60cm W:85cm

PAPAVER

Papaver nudicaule
'Pacino'
Alpine Poppy

Low, clumping mounds of fern-like leaves with pale yellow, satiny flowers that bloom on long stems in late spring.

Zone: **2** H: 5" W: 8"
H:15cm W:20cm

Papaver nudicaule 'Wonderland'
Iceland Poppy

Mounds of fern-like, dark-green leaves with large, four inch wide, satiny blooms in early spring in a mix of orange, pink, white and yellow.

Zone: **3** H: 15" W: 8"
H:38cm W:20cm

Papaver orientale
Oriental Poppy

Tall, massive, satiny flowers with large, black cone-like centers, bloom in late spring in a range of red, white, orange or pink atop hairy, fern-like foliage.

Zone: **1** H: 36" W: 24"
H:90cm W:60cm

Papaver orientale 'Beauty of Livermere'
Oriental Poppy

Low, clump forming mound of hairy leaves and tall stems bearing papery-thin, deep-red, satiny flowers with dark streaks. Blooms appear in early summer.

Zone: **2** H: 24" W: 24"
H:60cm W:60cm

Papaver orientale 'Royal Wedding'
Oriental Poppy

Coarse, hairy mounds of foliage surround tall stems topped with large, papery-thin, satin, white blooms in early summer.

Zone: **2** H: 36" W: 18"
H:90cm W:45cm

PENSTEMON

Penstemon 'Cha Cha Cherry'

Beardtongue

Upright, bushy habit of narrow foliage and tall, sturdy stems topped with dark cherry-red trumpet-like blooms flowering from late spring to fall. Very attractive to pollinators.

Zone: 6 H: 24" W: 22"

Penstemon 'Cha Cha Hot Pink'

Beardtongue

Upright, bushy habit of narrow foliage and tall, sturdy stems topped with bright pink trumpet-like blooms flowering from spring to fall. Very attractive to pollinators.

Zone: 6 H: 20" W: 22"
H: 50cm W: 55cm

Penstemon 'Cha Cha Purple'

Beardtongue

Upright, bushy habit of narrow foliage and tall, sturdy stems topped with purple trumpet-like blooms flowering from spring to fall. Very attractive to pollinators.

Zone: 6 H: 22" W: 22"
H: 55cm W: 55cm

Penstemon digitalis 'Husker Red'

Beardtongue

Clumps of greenish maroon leaves with tall panicles of white tubular-shaped blooms that sometimes have a pinkish hue. Flowers bloom in late spring and attract pollinators.

Zone: 3 H: 36" W: 24"

Penstemon hybrid 'Firebird'

Beardtongue

Tall panicles of bell-shaped, crimson flowers above clumps of narrow, dark green foliage. Flowers bloom from mid-summer to fall and are loved by pollinators.

Zone: 7 H: 24" W: 24"
H: 60cm W: 60cm

Penstemon hirsutus var. pygmaeus
Dwarf Beardtongue

Low mound of dark green leaves bearing tubular-shaped flowers that mature from mauve to light pink to white from spring to summer. Foliage turns a deep red in winter.

Zone: **3** H: 6" W: 8"
H:15cm W:20cm

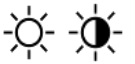

Penstemon pinifolius

Pineleaf Beardtongue

Low, bushy mound of pine needle-like leaves with stems covered by bright orange flowers in mid-summer that attract pollinators.

Zone: **3** H: 15" W: 18"
H:38cm W:45cm

Penstemon barbatus 'Nana Rondo Mix'
Beardtongue

Tall, upright clump of dark green stems and leaves with a mixture of pink, red, fuchsia, blue, and violet, trumpet-looking flowers.

Zone: **2** H: 16" W: 16"
H: 40cm W: 40cm

Penstemon 'Riding Hood Delft Blue'
Beardtongue

Mounds of glossy green foliage with tall stems covered by brilliant blue blooms in summer. Low maintenance and attractive to pollinators.

Zone: **6a** H: 20" W: 20"
H: 50cm W: 50cm

Penstemon 'Riding Hood Lavendar'
Beardtongue

Mounds of glossy green foliage with tall stems covered by brilliant lavender blooms in summer. Low maintenance and attractive to pollinators.

Zone: **6a** H: 20" W: 20"
H: 50cm W: 50cm

Penstemon schmidel 'Riding Hood Purple'
Beardtongue

Mounds of glossy green foliage with tall stems covered by deep purple bell-shaped flowers in early summer. Low maintenance and attractive to pollinators.

Zone: **6a** H: 18" W: 22"
H: 45cm W: 55cm

Penstemon schmidel 'Riding Hood Red'
Beardtongue

Tall variety with mounding, glossy green foliage and tall upright stems covered with pink-red bell-shaped blooms in early summer.

Zone: **6a** H: 28" W: 24"
H: 70cm W: 60cm

PEROVSKIA

Perovskia atriplicifolia

Russian Sage

Bushy, upright, clumping perennial with silvery green, divided leaves and tall spikes of rich, violet-blue flowers that bloom from mid-summer to fall. Very Fragrant.

Zone: **4** H: 60" W: 34"
H: 120cm W: 85cm

Perovskia atriplicifolia 'Blue Jean Baby'

Russian Sage

Hardy perennial shrub with aromatic gray foliage and lavender flower spikes all summer that lasts into fall. Compact, bushy habit is perfect for mixing in borders with other upright perennials, or added to beds as an accent.

Zone: **3** H: 34" W: 34"
H: 85cm W: 85cm

PERSICARIA

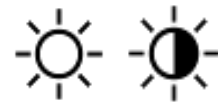

Persicaria microcephala **'Kunming'**

Fleeceflower, Langthorn's Variety

Small white flowers bloom in summer on red stems with heavily mottled silver, burgundy and dark green heart-shaped foliage.

Zones: **5b** H: 8" W: 12"
H:20cm W:30cm

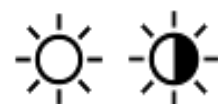

Persicaria microcephala 'Red Dragon'

Fleeceflower

Three coloured heart-shaped leaves of dark green, silver and burgundy grow in a large clump with brilliant sprays of small white flowers that bloom in late summer.

Zones: **7a** H: 30" W: 36"
H:76cm W:91cm

PHLOX

Phlox bifida 'Snowflake'

Sand Phlox

Compact form creating a low carpet of skinny, star-shaped white blooms in late spring and early summer. Will self seed if happy in a medium moisture, well draining area.

Zone: **42** H: 6" W: 8"
H: 15cm W: 20cm

Phlox divaricata 'Blue Moon'

Woodland Phlox

Rich, blue-violet star-shaped flowers, with round, overlapping petals grow atop light green, clumping foliage. Flowers bloom in mid-spring atop semi-evergreen foliage. Excellent in the shade garden.

Zone: **3** H: 18" W: 12"
H: 45cm W: 30cm

Phlox div. 'Chattahoochee'

Woodland Phlox

Brilliant blue flowers with dark purple centres sit in clusters atop deep green, spreading mounds of grass-like semi-evergreen foliage. Excellent in the shade garden.

Zone: **4** H: 12" W: 18"
H: 30cm W: 45cm

Phlox douglasii 'Crackerjack'

Moss Phlox

Mounding perennial that has bright-green pine needle-like leaves with brilliant magenta star-shaped flowers in mid-spring.

Zone: **3** H: 2" W: 12"
H: 5cm W: 30cm 

Phlox 'Woodlander Lilac'

Hybrid Phlox

A beautiful evergreen variety with a mounding form topped with large pink coloured flowers. Woodlander Phlox perform well in both sun and part shade areas.

Zone: H: 10" W: 15"
H: 25cm W: 38cm  

Phlox 'Woodlander Pink'

Hybrid Phlox

A beautiful evergreen variety with a mounding form topped with large pink coloured flowers. Woodlander Phlox perform well in both sun and part shade areas.

Zone: H: 10" W: 15"
H: 25cm W: 38cm  

Phlox 'Woodlander Rose'

Hybrid Phlox

A beautiful evergreen variety with a mounding form topped with large pink coloured flowers. Woodlander Phlox perform well in both sun and part shade areas.

Zone: H: 10" W: 15"
H: 25cm W: 38cm  

Phlox paniculata 'Early Purple Eye'

Garden Phlox

Violet-purple blooms with white centres bloom in summer on clumps of dark-green, upright foliage.

Zone: **4a** H: 18" W: 14"
H: 46cm W: 35cm  

Phlox paniculata 'Early Red'

Garden Phlox

Brilliant star shaped flowers spread over mounds of dark green foliage in summer.

Zone: **5a** H: 18" W: 14"
H: 46cm W: 35cm  

Phlox paniculata 'Early White'

Garden Phlox

Pure white blooms with yellow centres spread over mounding form of dark green foliage in summer.

Zone: **5a** H: 18" W: 14"
H: 46cm W: 35cm 

Phlox pan. Flame™ 'Purple'
Summer Phlox

A dwarf variety with a bushy mound of magenta flowers with purple eye zones. Fragrant.

Zone: **4a** H: 12" W: 16"

H: 30cm W: 40cm

Phlox paniculata Flame™ 'Coral'
Summer Phlox

A dwarf variety with a bushy mound of bright coral red flowers

Zone: **4a** H: 12" W: 16"

H: 30cm W: 40cm

Phlox pan. Flame™ 'Blue'
Summer Phlox

A dwarf variety with a bushy mound of white flowers painted with streaks of blue. Fragrant.

Zone: **4a** H: 12" W: 16"

H: 30cm W: 40cm

Phlox pan. Flame™ 'Lilac'
Summer Phlox

A dwarf variety of garden phlox with large, long-blooming flower clusters on short, compact plants.

Zone: **4a** H: 12" W: 16"

H: 30cm W: 40cm

Phlox pan. Flame™ 'Pink'
Summer Phlox

A dwarf variety of garden phlox with large, long-blooming flower clusters on short, compact plants.

Zone: **4a** H: 12" W: 16"

H: 30cm W: 40cm

Phlox stolonifera 'Home Fires'
Creeping Phlox

Fragrant bright pink flowers bloom in late spring to summer in clusters atop deep green, narrow leaves.

Zone: **4** H: 10" W: 24"

H: 25cm W: 60cm

Phlox stol. 'Sherwood Blue'
Creeping Phlox

Low, mounding variety of pointy green foliage with clusters of purplish-blue flowers in mid to late spring. Fragrant.

Zone: **2** H: 12" W: 12"

H: 30cm W: 30cm

Phlox sub. 'Coral Eye'
Moss phlox

Low, mounding clumps of dark green, grassy foliage covered in spring by dainty white flowers with deep pink centers.

Zone: **2** H: 6" W: 18"

H: 15cm W: 45cm

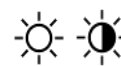

Phlox subulata 'Scarlet Flame'
Moss Phlox

Low, mound of light green foliage covered with pink, star-shaped flowers that grow in a spreading form in spring.

Zone: **2** H: 8" W: 24"

H: 20cm W: 60cm

Phlox subulata 'Amazing Grace'
Moss Phlox

Low, mounding mats of grassy green foliage covered with pale pinkish-white flowers with purple centres in spring.

Zone: **2** H: 6" W: 18"
H:15cm W:45cm 

Phlox subulata 'Candy Stripe'
Moss Phlox

Low mound of light green, grassy foliage with skinny white flowers streaked with pink. Blooms in mid-spring.

Zone: **3** H: 10" W: 18"
H:25cm W:45cm 

Phlox sub. 'Crimson Beauty'
Moss Phlox

Low, mounding cushion of dark green, grassy foliage covered by rich, crimson red flowers in mid-spring.

Zone: **3a** H: 6" W: 18"
H:15cm W:45cm 

Phlox sub. 'Emerald Blue'
Moss Phlox

Low cushion of bright green leaves covered in spring with pale blue, star-shaped blooms with yellow centres.

Zone: **1** H: 8" W: 23"
H:20cm W:58cm 

Phlox subulata 'Lavender'
Moss Phlox

Pale, lavender-blue flowers covering low, mound forming, spreading, dark green foliage in spring.

Zone: **1** H:6" W:18"
H:15cm W:45cm 

Phlox subulata 'Pink'
Moss Phlox

Light green leaves, resembling pine needles, with star shaped pink petals with darker pink centers. Spring bloomer.

Zone: **2** H:6" W:18"
H:15cm W:45cm 

Phlox subulata 'Purple Beauty'
Moss Phlox

Compact selection with green, needle-like leaves with lavender flowers with dark centers. Spring bloomer.

Zone: **2** H: 6" W: 10"
H:15cm W:25cm 

Phlox sub. 'Crimson Beauty'
Moss Phlox

Low, mounding cushion of dark green, grassy foliage covered by rich, crimson red flowers in mid-spring.

Zone: **2** H: 6" W: 18"
H:15cm W:45cm 

Phlox subulata 'Red Wing'
Moss Phlox

Compact selection with light green needle-like leaves with dark pink blooms that flower mid-spring.

Zone: **3** H: 8" W: 10"
H:20cm W:25cm 

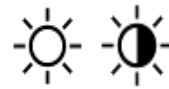

'Phlox sub. 'Ronsdorfer Beauty'
Moss Phlox

Pinkish-lavender blooms with dark pink centers bloom in spring over dark green, grassy foliage.

Spreading habit.

Zone: **2** H: 6" W: 24"

H:15cm W:60cm

Phlox sub. 'Spring Lavender'
Moss Phlox

Earliest flowering variety in spring. Pale, white flowers with hints of lavender bloom on low grassy mounds.

Zone: **2** H: 4" W: 12"

H:10cm W:30cm

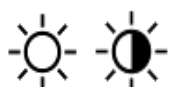

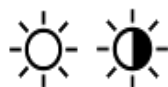

Phlox subulata 'White Delight'
Moss Phlox

Dark green foliage resembling pine-needles is smothered by white, star-shaped flowers that bloom through spring.

Zone: **2** H:8" W:18"

H:20cm W:45cm

PERSICARIA

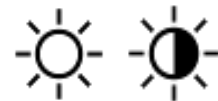

Physostegia virginiana
'Autumn Carnival'

Obedient Plant

Native to North America, the Obedient plant is known for upright, floral spikes adorned turtle-head shaped blooms. This variety has purplish-pink blooms in late summer into fall.

Zone: 5 H: 17" W: 16"

H: 43cm W:

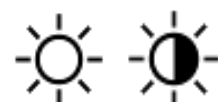

Physostegia virginiana 'Miss Manners'

Obedient Plant

Forms an upright clump of medium green, lance-like foliage with tall spikes of brilliant white flowers. Attracts pollinators and blooms in summer.

Zone: 3 H: 24" W: 24"

H: 60cm W: 60cm

PLATYCODON

Platycodon 'Astra Series Blue'

Dwarf Balloon Flower

Summer blooming buds open to single, star-shaped, deep violet flowers atop compact mounds of green, serrated foliage.

Zone: **3** H: 10" W: 16"
H: 25cm W: 40cm ☀️ 🌙

Platycodon 'Astra Series Pink'

Dwarf Balloon Flower

Pale pink, almost white, star-shaped flowers with dark veining, bloom in summer on compact mounds of green, serrated foliage.

Zone: **3** H: 10" W: 16"
H: 25cm W: 40cm ☀️ 🌙

Platycodon 'Astra Series White'

Dwarf Balloon Flower

Stark white, star-shaped, single flowers bloom in summer on top of compact mounds of green, serrated foliage. Great for borders and edgings in gardens.

Zone: **3** H: 10" W: 16"
H: 25cm W: 40cm ☀️ 🌙

Platycodon grandiflorus 'Fuji Blue'

Balloon Flower

Mounds of pointy, green foliage topped with large, single star-shaped deep violet blooms that appear in late spring.

Zone: **3** H: 30" W: 18"
H: 75cm W: 45cm ☀️ 🌙

Platycodon grandiflorus 'Fuji Pink'

Balloon Flower

Mounds of pointy, green foliage topped with large, single star-shaped, pale pink flowers that appear in late spring.

Zone: **3** H: 30" W: 18"
H: 75cm W: 45cm ☀️ 🌙

Platycodon grandiflorus 'Fuji White'

Balloon Flower

Mounds of pointy, green foliage topped with large, single star-shaped, pure white flowers that appear in late spring.

Zone: **3** H: 30" W: 18"
H: 75cm W: 45cm ☀️ 🌙

POLEMONIUM

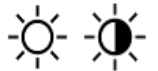

Polemonium caeruleum 'Blue'

Jacob's Ladder

Mounding form of long, deep green, fern-like foliage, with tall stems topped by a cluster of blue flowers in early summer.

Zone: **2** H: 12" W: 18"
H: 30cm W:45cm

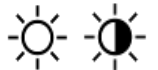

Polemonium caeruleum 'White'

Jacob's Ladder

Clusters of white, star-shaped flowers bloom in late spring on tall stems above compact mounds of green, ferny foliage.

Zone: **3** H: 12" W: 18"
H:30cm W:45cm

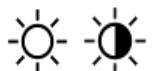

Polemonium yezoense 'Purple Rain'

Purple Leaf Jacob's Ladder

Fern-like, purplish-black foliage that matures to a medium green, grows in compact mounds and bears tall stems of light purple flowers in late spring.

Zone: **4** H: 20" W: 18"
H: 50cm W:45cm

POLYGONATUM

Polygonatum biflorum var. commutatum

Solomon's Seal

Tall, tuberous stems with long, narrow leaves produce small white, hanging bell-shaped flowers from spring to early summer. Foliage matures to a bright yellow hue in fall.

Zone: 2 H:48" W: 34"
H:120cm W:86cm

Polygonatum multiflorum

Eurasian Solomon's Seal

Upright and compact form of powdery green, lance-like foliage, with arching stems covered by small, white bell-shaped flowers in late spring.

Zone: 3 H: 30" W: 10"
H:76cm W:25cm

Polygonatum multiflorum 'Giganteum'

Eurasian Solomon's Seal

Large variety with thick, tall, arching stems and powdery green foliage in a mounding and upright habit. White bell-shaped flowers hang in clusters in late spring.

Zone: 2 H: 48" W: 28"
H:120cm W:70cm

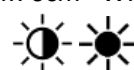

Polygonatum multiflorum 'Variegatum'

Eurasian Solomon's Seal

Pinkish-red, arching stems rise above green, pointy foliage edged in creamy white. Whitish-green bell-shaped flowers appear in late spring.

Zone: 3 H: 30" W: 24"
H:76cm W:60cm

POTENTILLA

Potentilla nepalensis
'Miss Willmott'

Nepal Cinquefoil

Mat forming,
spreading habit of
dark green,
strawberry-like
foliage with masses of
rosy-pink flowers
blooming all summer
long.

Zone: 2

H: 12" W: 23"

H: 30cm W: 58cm

PRIMULA

Primula denticulata
Drumstick Primrose

Large mounds of upright green leaves with tall stems rising to hold whorls of purple, violet, or white flowers that bloom in early spring.

Zone: **2**

H: 12" W: 12"

H:30cm W:30cm

Primula polyantha 'Marie Crousse'

Double English Primrose

Deep lilac-pink double blooms edged in silver appear in spring over thick, bright green foliage.

Zone: 4 H: 6" W: 8" H:15cm W:20cm  

Primula polyantha 'Purple'

Purple Primrose

Bright pinkish-purple blooms with sunny yellow centers appear in spring over medium green, rounded leaves.

Zone: 3 H: 12" W: 8" H:30cm W:20cm  

Primula polyantha 'Red'

Primrose

Brilliant red clusters of flowers with small yellow centers appear in spring on medium green foliage.

Zone: 3 H: 12" W: 8" H:30cm W:20cm  

Primula polyantha 'Yellow'

Primrose

Clusters of buttery yellow blooms pop through medium green foliage in spring. Great colour contrast.

Zone: 3 H:12" W: 8" H:30cm W:20cm  

Primula polyantha 'Wanda'

Primrose

Purple blooms with small yellow centers appear in spring and form clusters over thick, rounded, green foliage.

Zone: 2 H:12" W:8" H:30cm W:20cm  

Primula veris 'Sunset Shades'

Cowslip Primrose

Large headed blooms in shades of yellow, orange and red, appear in mid-spring atop medium green foliage.

Zones: 3 H: 12" W: 12" H:30cm W:30cm  

Primula vulgaris 'April Rose'

Double English Primrose

Double rose-like blooms of brilliant pink sit above low mounds of medium green foliage. Early spring bloomer.

Zone: 3 H: 9" W: 8" H:22cm W:20cm  

Primula v. 'Poly Blue'

English Primrose

Bright blue flowers with yellow centers bloom in spring over the medium green foliage giving great colour for rock gardens or edging.

Zone: 4 H: 12" W: 8" H:30cm W:20cm  

Primula vulgaris 'White'

English Primrose

Pure white flowers with golden yellow centers bloom in spring over low rosettes of medium green foliage. Great in rock gardens.

Zone: 3 H: 8" W: 8" H:15cm W:20cm  

PULMONARIA

Pulmonaria angustifolia

Lungwort

Mound forming, clumping habit with hairy dark green, mottled leaves. Blooms are funnel-shaped purple and pink, appearing in early spring.

Zone: **2** H: 12" W: 24"
H:30cm W:60cm

Pulmonaria longifolia subsp. 'Cevennensis'

Lungwort

Long, narrow, dark green leaves, with silver spots contrast with clusters of light blue tubular-shaped blooms in early spring.

Zone: **2** H: 18" W: 24"
H:45cm W:60cm

Pulmonaria saccharata 'Excalibur'

Lungwort

Long, narrow leaves of medium green with silver spots contrast with rosy pink and purple bloom clusters appearing early in spring.

Zone: **3** H: 12" W: 24"
H:30cm W:50cm

Pulmonaria saccharata 'Mrs. Moon'

Lungwort

Stunning, mottled foliage of lime and dark green with a silver overlay contrast nicely with light pink buds that open to a pinkish-blue in spring.

Zone: **2** H: 10" W: 24"
H:25cm W:50cm

Pulmonaria saccharata 'Sissinghurst White'

Lungwort

Dainty white flower clusters appear in spring on top of short, rounded layers of light green, fuzzy leaves with silver spots.

Zone: **3b** H: 12" W: 24"
H:30cm W:50cm

PULSATILLA

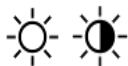

Pulsatilla vulgaris

Pasque-flower

Crocus-like, royal purple flowers covered in a soft down with feathery, dark green low bearing foliage. Great for rock garden interest. Bloom in early spring.

Zone: **3** H: 12" W: 12"
H:30cm W:30cm

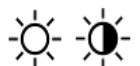

Pulsatilla vulgaris 'Red'

Pasque-flower

Low bearing, feathery, medium green foliage, topped with bright red, star-shaped blooms with yellow centers that appear in spring. Great for rock gardens and border edgings.

Zone: **3a** H: 12" W: 12"
H:30cm W:30cm

**Pyrethrum coccineum
'Robinson's Single'**

Painted Daisy

Fine, ferny foliage with tall stems bearing bright crimson, white or pink daisy-like flowers with yellow centers. Great colour and attraction for the border or in containers. Flowers bloom in summer.

Zone: **2**
H: 32" W: 14"
H:81cm W:35cm
