## RELENTLESS INNOVATION

### Pro-Finish TDC

Finishing aid for freshly poured concrete. Lubricates the surface during the floating and troweling stages for a better, faster finish. Pro-Finish TDC slows down the surface drying and eliminates the need for water during finishing. Increases surface compressive strength, reduces efflorescence, and minimizes checking , scaling ,and surface cracking.

### Dura Grip Plus

White slip-resistant granules to be broadcasted into the second to last coat of solvent based sealer or urethane. Provides a more slip resistant surface than our standard Dura Grip.

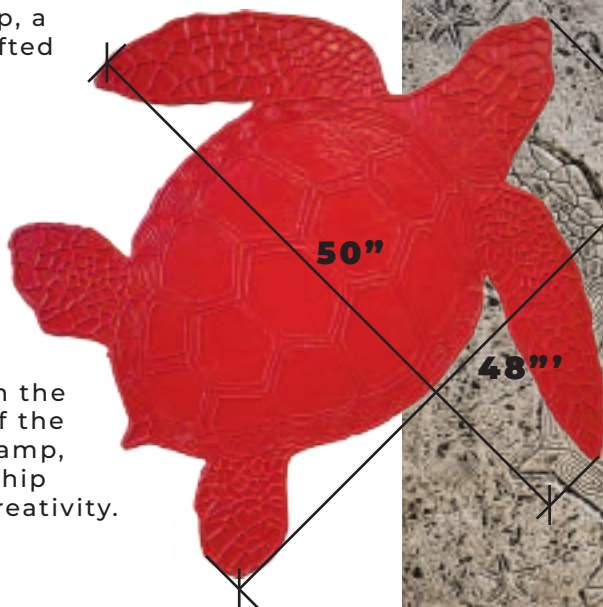

36 Grit, 60 Grit, and 80 Grit available.

4 lb Container, 15 lb Container available.

### Sea Turtle Large “Honu”

Unveiling Proline's Honu Turtle stamp, a fusion of handcrafted elegance and concrete finesse. Immerse your projects in the unique charm of this meticulously hand-carved design, where each curve tells a story of artisanal allure. Elevate your surfaces with the timeless appeal of the Majestic Turtle stamp, where craftsmanship meets concrete creativity.
